CLERGYMAN IS ORDAINED FOR KOUCHIBOUGUAC

The Presbytery of Miramichi held a special meeting in the Presbyterian Church at Kouchibouguac on Tuesday. The members of the Presbytery present included Revs. W. M. Matthews, L. H. McLean, F. W. Thompson, T. Harrison, W. A. MacQuarrie and J. H. A. Anderson. The purpose of the meeting was the ordination to the Christian ministry of Mr. Alexander Sutherland Murray, who in April graduated from Halifax Presbyterian College after a course of study in which he attained high standing both in Arts and Theology. Rev. J. H. A. Anderson, Moderator, presided and in the conduct of public worship was assisted by Rev. F. W. Thompson and W. A. MacQuarrie whose sermon was of a high order. The solemn service of ordination by covenant on the part of the candidate, response by the congregation, prayer and the "laying on of the hands of the Presbytery," was an impressive one. The newly ordained minister was suitably addressed by Rev. L. H. McLean and the people by Rev. T. Harrison. Mr. Murray was appointed an ordained missionary in Kouchibouguac for one year, the congregation, by their large attendance and cordial interest in the service manifesting their appreciation of the fuller ministry in prospect. For the greater part of their history Kouchibouguac has been served except for short intermittent periods by student missionaries and only during the summer months. Mr. Murray is a son of the Manse, his father Rev. Robert Murray being minister in Barneys River, N. S. He has a sister, Dr. Florence Murray, a medical missionary in Korea, and is himself a volunteer for service in the Foreign Field. His brother Mr. A. E. Murray, who was also present at the service, is the catechist at Millbank and adjoining fields for the present summer.

Presbyterians Await Action Of Assembly

Presbyterians all over the Dominion are much interested in the meeting of the General Assembly of the Presbyterian Church in Canada, in Port Arthur, commencing June 6. This Assembly will decide the fate of a movement for church union in Canada which has been slowly progressing to its consummation for the past twenty years, namely, the coming together of the Presbyterian, Methodist and Congregational churches to constitute a United Church of Canada.

The Church Unionists point out that every progressive movement whether it be religious, social or national, has had its detractors, and the church union movement in Canada has not been an exception. Organized opposition among the Presbyterians has been in force during the past eight years to the union, this propaganda having been intensified during the past year.

The anti unionists have based most of their arguments upon the proposed legislation which they declare is coercive and means the institution of the state church idea. On the other hand, the Union Committee states it is as anxious as anybody that there shall be no coercion against the minority and that the United Church shall be free from all state entanglements, and the proposed bill will probably be amended to clear away any ambiguities. The procedure at the Assembly will be that the Assembly's committee on church union will ask it to endorse the proposed legislation in its amended form and send,

MRS. ANDERSON TELLS WOMEN

How Backache and Periodic
Pains Yield to Lydia E. Pink-
ham's Vegetable Compound

Leslie, Sask.—"For about a year I was troubled with a distressing down-
bearing pain before and during the pe-
riods, and from terrible headaches and
backache. I hated to go to a doctor,
and as I knew several women who had
taken Lydia E. Pinkham's Vegetable
Compound with good results, I finally
bought some and took four bottles of it.
I certainly do recommend it to every
woman with troubles like mine. I feel
fine now and hope to be able to keep
my medicine on hand at all times, as no
woman ought to be without it in the
house."—Mrs. OSCAR A. ANDERSON,
Box 15, Leslie, Sask.

Mrs. Kelsey Adds Her Testimony
Copenhagen, N. Y.—"I read your
advertisement in the papers and my
husband induced me to take Lydia E.
Pinkham's Vegetable Compound to get
relief from pains and weakness. I was
so weak that I could not walk at times.
Now I can do my housework and help
my husband out doors, too. I am willing
for you to publish this letter if you think
it will help others."—Mrs. HERBERT
KELSEY, R.F.D., Copenhagen, N. Y.

Sick and ailing women everywhere
in the Dominion should try Lydia E.
Pinkham's Vegetable Compound before
they give up hope of recovery.

it to the Federal and Provincial
Governments for enactment. Un-
less there is a sudden reaction,
there is stated to be every pros-
pect of the Assembly taking the
final step into the union. If this
is done, the union controversy, it
is held, will at once cease and a
process of legal adjustment and
amalgamation will be instituted.

The Assembly will appoint its
150 representatives to the General
Council of the United Church
which will meet in Toronto a few
days after the passing of the Act
of Incorporation. The General
Assembly, Methodist General
Conference and Congregational
Union will all be simultaneously
convened in one city, meeting in
their respective churches, for the
purpose of finally ratifying the
union. Representatives of each
church will then assemble in a
large central hall, where the United
Church of Canada will be pud-
licly consummated.

Quebec Swallow- ing Itself

In a circular letter sent out in
Ontario by a liquor organization
flattering itself by the name,
"Moderation League," it is shame-
lessly stated:

"It is a fact that under their
system of Government control the
Province (Quebec) last year de-
rived a revenue of over four mil-
lion dollars besides paying in ex-
cise duties, some five million
dollars to the Dominion." "Govern-
ment."

Even on the surface this finan-
cial argument proves too much.
The great question to be asked is:

Be Safe!

Don't wait for someone to
be in pain to get Kendall's
Spavin Treatment in the
house.

For all external hurts and pains
Kendall's Spavin Treatment makes good.

SCHOOL TAX BOOKS

cate, Mill Saw Bills, Deed Forms,

ADVOCATE OFFICE

What is the price Quebec is pay-
ing for its big provincial and fe-
deral income of which it is mak-
ing so much. There must be a
prodigious amount of drinking to
provide these great profits for
distillers, brewers and a revenue
of over \$4,000,000, for the pro-
vincial treasury and upwards of
\$2,000,000 for the Dominion purse.
How much better for the people
if all this money were in their
pockets, as it is not only the
money that is being extracted.
With liquor drinking goes money-
earning power, the lack of which
produces pauperism and crime
with all the attendant cost and
horrors of big charitable and penal
institutions.

And the end is not yet, but, like
the horizon, ever retreats. Accord-
ing to an announcement to the
Toronto Globe last summer, by
the Hon. Jacob Nicol, Provincial
Treasurer, "Revenues will increase
year after year."

Nothing is truer than this state-
ment. Having once created this
Government-gain - Frankenstein
- monster, there may be no getting
away from its hounding steps.
Its subsidizing of roads, schools
and charitable institutions is
simply a dose of narcotics to dull
the conscience of the people to
the evils of alcoholics, and to
blindfold their eyes to the fact
that, in reality, their pockets are
being robbed.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children.
Food is specially prepared for babies. A baby's medicine
is even more essential for Baby. Remedies primarily prepared
for grown-ups are not interchangeable. It was the need of
a remedy for the common ailments of Infants and Children
that brought Castoria before the public after years of research,
and no claim has been made for it that its use for over 30
years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric,
Drops and Soothing Syrup. It is pleasant. It contains
neither Opium, Morphine nor other narcotic substance. Its
age is its guarantee. For more than thirty years it has
been in constant use for the relief of Constipation, Flatulency,
Wind Colic and Diarrhoea; allaying Feverishness arising
therefrom, and by regulating the Stomach and Bowels, aids
the assimilation of Food; giving healthy and natural sleep.
