THE CHARLOTTETOWN HERALD

## NEWS OF THE WEEK.

Ottawa advices say that Toronto LOCAL AND OTHER ITEMS. people have gone fairly wild over the The annual statement of the Mon- reported discovery of coal near Sudtreal Street Railway Company show bury, but it seems they have jumped THE Allens of Montreal acknowled that they are about to build two ne

treal Street realing the past year are \$462,106.79, as against \$351,349 13 for last year. The gross receipts were \$1,265,898.39. The net earn-ings for past year were \$555.033 69. The operating expenses, 56.48 per cent., as against \$2.68 in 1892. The tracklaying on the Ottawa and Parry Sound Railway is about com-pleted, and by the middle of the month the whole of the line will be ballasted, thus giving a clear run from Ottawa to Georgian Bay. An in-spection of the new section will be made by government officials this week. The distance from Ottawa to Parry Sound is 260 miles. bury, but it seems they have jumped to conclusions too readily. The geo logical survey has had samples of this alleged coal for several weeks and they have been carefully examined by the departmental chemist, Dr. Hoff-man. Although having the appear-ance of coal the substance is not coal. but properly speaking anthraolite, which has probably resulted from the veins in the rocks where it has been found. Dr. Dawson, director of geological survey, mentioned to your correspondent that there has been coal excitements at different points throughout Canada on several oc-
