spot on his breast which seemed dead to feel-ing when he rubbed himself with a towel Success Attends a Pair of Dare-Devils in George H. May was literally crushed to death. Mr. May was drawing sand from a OMAHA, July 30.-A Bee special from Val-entine, Neb., says: "As Conductor Nelson of the Fremont, Elkhorn & Mission Valley after bathing. Then he discovered similar spots on other parts of his body. There was only a slight discoloration of the skin, so the matter was half forgotten until an incident occurred which caused him to remember the pit in the neighborhood of his own hom and little Clara, aged 2 years and 2 months, had followed him to his working place. In Railroad entered the day car to collect fare drawing a load of sand from the pit he had between Long Pine and Arabia last night shortly after dark two young men, wearing slow healing of his sore finger in Yucatan. While playing ball one day Manuel reto pass through a gate, and just as the ceived the unyielding sphere on the tip of an outstretched finger. The joint was mis-placed, but neither the accident nor the surgeon's setting of the heat over their faces, stepped from the closet, each holding two revolvers levelled surgeon's setting of the bone caused Manuel had not observed the girl's presence and much pain. The finger became numb, and the skin and flesh at its end shrunk until one day walked around to the other side and was skin and flesh at its end shrunk until one day the injured joint dropped off, painlessly and without the loss of a drop of blood. It seemed as though in getting rid of this joint the finger gained new life, for in a few weeks new skin had covered the wound. In telling the physicians of his symptons Manuel does not confess to having been worried over the incident just described. He was young, rich and full of the jor of living. His margents valuables and money. A brakeman who bullet was sent after him. The bullet went through the door of the sleeper and broke a a sickening spectacle when taken home. There was life enough remaining for the mirror in the smoking room. All the pas-sengers in the day coach were relieved of and full of the joy of living. His parents came to New York and wrote to him to join little sufferer to cry at first, but gradually this ceased and death ensued in about 11/2 them here. Shortly after his arrival here he consulted Dr. Theodore Wiggin of No. 66 West Forty-sixth-street. He asked to be hours after the accident. treated for the numbress in his hands and in other parts of his body. Dr. Wiggin told The robbers entered the smoker, the con-CORNWALL, July 30 .- On Sunday after noon the body of a man named Joseph Thi-

him to call again, and immediately notified the Health Board of his suspicions. It was ou July 20 that Manuel was examined in Dr. Wiggin's office by Dr. Dillingham and Dr. Edson of the Board of Health. They desome time. The brakeman who had been cided that the case was one of genuine leprosy.
