To All Live Stock Owners!

Feeds of all kinds, including OATS, are very high and
likely to go higher. Why not save money and improve your
animals at the same time by using

Molassine Meal.

It is by a long way the cheapest food on the market,
used in England by all kinds of stock owners, from H. M.
the King downwards. The General Omnibus Co., of Lon-
don, has used 70,000 sacks of it. One Farmers Association
has used no less than 20,000 sacks of it.

The Molassine Co. won the GRAND PRIX at the Festi-
val of the Empire at the Crystal Palace last summer. (This
was the highest possible award.)

We will be pleased to forward Booklets, Pamphlets,
etc., to interested parties. We have the following **Mol-
