HAVE US WRITE YOU A POLICY of fire insurance to-day and you'll sleep sounder to-night. The man who is insured isn't half as nervous about fire as the man who isn't. Why should he be?

FIRE INSURANCE PROTECTS him from all loss. He knows if his house or store burns down where he is going to get money to replace it without borrowing. Are you in that comfortable position? Why not put yourself in it by taking out a policy right now?
