Arrested With One Foot in Each Country.

FRENCH POLICE GET DESERTER.

GENEVA. (Associated Press).—A wealthy Frenchman, F. Bertrand, described as a deserter, has been arrested here at a moment when he had practically one foot on either side of the Swiss and French frontier line, in a cafe that straddles the border. The cafe is in the village of Saint Julien on the international boundary. Part of the building is in Switzerland and part in France. Early in the war Bertrand settled in Geneva where, his accusers aver, he made a large fortune trading with Germany. He bought a villa and several automobiles and led a life of pleasure. He said he was more German than French, and took pleasure in speaking against France, particularly in the cafe at Saint Julien where, safe on Swiss territory in one of the drinking rooms, he could be overheard and even seen by the French police in the rooms on the French side. There the French listened to his annoying talk but, unable to catch him on the French side, they could not arrest him. Bertrand boasted that when there was no police about—he could enter France and return without a passport. Bertrand after dining well, crossed the border by going from the room on the Swiss side to that on the French side to greet some friends. At the instant he passed the line into France he was pounced upon by two French gendarmes. He put up a fight, but was quickly subdued, handcuffed, and carried away.

In the Realms of Sport.

The fourth game in the regular league fixtures will be played to-night between the Cadets and C.L.B., and it is sincerely hoped the weather will turn a little warmer so that fans may enjoy the game in comfort.

Thursday is the only baseball playing date this week. In the morning a five-inning double header will be played for the C. of E. Orphanage Garden Party preliminaries, and the League is meeting to-day to draw them up. In the afternoon the second game of the League series will be played when the B.I.S. and the "reconstructed" Wanderers will clash.

A friend of ours drops a squib to say how tactless as a rule dentists are. He wanted a refractory molar extracted and as Doc Power grabbed him by the chin with those fearful pliers of his hand, he was softly humming "The Yanks are coming."

Last night I dreamt that I could sleep. The busy morning through; Say, ain't it fierce when you wake up. And have to get up, too?

The Giants and Yankees (both New York teams) are still leading the big leaguers with Pittsburgh and St. Louis runners-up. The two Boston teams are tailing.

Lewisport is establishing a football league and footers there are quite enthusiastic. A wire was received from Grand Bank asking if the St. Pierre team proposed visiting St. John's. If the latter do, presumably they will bring their own em-brocation.

Somebody asks why the C.B.I. are not playing baseball this year? Only three reasons—Red Lions, B.I.S. and Cuba.

Babe Ruth has given up all hope of passing his last year's home run mark of 59. He is confident, however, that he will catch up with Williams of the St. Louis Browns and Hornsby of the Cardinals, and lead both major leagues in four base drives. Babe was suspended for six weeks at the beginning of the season.

Sept. 5th is the date set for the annual field and track championships of the Maritime Provinces by the Wanderers' Club of Halifax. The Herald says that teams are expected from F.E.I. and Newfoundland, and that many New Brunswick clubs are expected to compete.

Good foot work is essential in boxing. That would be our only chance against Bobby Burns.

"THE CONSOLATION BLUES" (By H.C.H.)

The coming champs in spring Receive their weekly bumps. And they don't do a thing But play like coming champs. But in the summer time They'll start to play football; Then they'll begin to climb And reach the top by fall. Contrariwise, the team That has the season rushed, Falls down, and all their dreams Of a three year win are crushed.

MORAL: And so the clubs that race Like mad in early spring, If they don't hold the pace It won't mean anything.
