C. L. B. Cadets

Brigade Headquarters, after last week's strenuous programme, are again beginning their 33rd year with faith and hope for increased usefulness amongst the lads of all classes.

Mr. Fred W. Marshall, formerly Major in the Royal Newfoundland Regiment, has joined the staff as Honorary Captain and Boxing and Wrestling Instructor. All ranks welcome our old friend who thus rejoins his old regiment and "lends a hand" with gloves!

Captain Stick, Adjutant, lays out a new schedule of routine: Parade at 7.45 sharp; 8 o'clock to 8.30, Physical Training by Sergeants; 8.30 to 8.40, games with a rest of five minutes; 8.45 to 9.15, Company drill in charge of the Adjutant—orders and parade dismissed sharp at 9.30—so all ranks can be home by 10 p.m. We think this is a step in the right direction as too much continuous drill sometimes makes variety in the routine most welcome.

Brigade Headquarters were pleased to forward details of their C.L.B. Savings Bank management to the Rev. W. J. Higgett of the Boy Scouts of Harbour Grace who contemplates encouraging thrift amongst his troop.

The cashier of the Savings Department, Captain Lewis, reports on September 30th deposits were \$3228.34, earning 3 per cent. Most satisfactory and creditable to the lads, but there are lots of chaps with no account open in our Bank yet. Our idea is every officer and lad must have a C.L.B. bank account. A word to the wise is sufficient!

Grand Falls Company reports in September and October 47 all ranks on the strength. The Ladies Auxiliary are doing splendid work. Special efforts are underway to raise funds to provide a gymnastic outfit. Sergt. Major G. Sibley has resigned owing to leaving Newfoundland, and Sergt. G. Constable has been promoted Sergt. Major. Congratulations Sergt. Major Bonavia Company sends greetings this month by Captain I. J. Bishop, O.C. We congratulate Bonavia on the promotion of their Officer Commanding and wish the Company luck and progress. Twenty-six lads on the strength. The lads who were dismissed in September for disobedience should "play the game" by apologizing and seeking permission to rejoin and have their black marks blotted out! Carry on Captain Bishop, Headquarters loyally supports you.

Bay Roberts Company is again full of pep. Major Dawe, O.C., Captain N. French, Lieut. Charles Butt, R. J. Mercer and Parsons are doing great work. On Armistice Day, Sunday, Nov. 11th, a joint parade was organized. C.L.B. Band, Great War Veterans under ex-Sergt. French. Girl Guides under Capt. M. Dawe and Lt. Fraser. H. Company C.L.B. Cadets under Major Dawe, and Troop No. 1 Boy Scouts under Scoutmaster Winsor with the Scouts Band. The total of all services were: C.L.B. Cadets, 57; Girl Guides, 47; Boy Scouts, 40; Great War Veterans, 16; total 160. The Brigade Chaplain, Rev. E. M. Bishop, conducted the service in the Church and preached a special sermon. There was a vast congregation notwithstanding the rain. Bay Roberts Company reports fifty-five on strength and Lieut. C. C. Butt and 2nd Lieut. Parsons on leave till November 30th. Everything satisfactory. Six new recruits joined November 16th. Carry on, Bay Roberts.

Bell Island Company J. reports September 30th seventy-two on the strength under Major W. Lindsay. Six lads were reported as being punished for misconduct. The school detachments are doing well. Lieut. W. Shepard is now at Portlough Cove and he hopes to organize a detachment of the C.L.B. there in the school attached to J. Company, Bell Island. No doubt the Rector, Rev. A. Talk, will give him great assistance. We await his report to Major Lindsay.

"Overseas News" is great this week. Sergt. Harold Blackler, No. 1, who is an Honorary member, writes cheerfully from Boston. Major R. H. Tait, M.C., late Adjutant, writes also from Boston. He sends greetings to all his old Brigade comrades. Old Comrade Sydney Skiffington writes from New York City and is delighted to have news of his old Regiment. He is pleased that the Brigade is doing so well and wishes to be remembered to everybody, particularly ex-President Clate and the Old Comrades.

Major Williams had a letter from Colonel Franklin, D.S.O., now British Trade Commissioner at Nairobi, British East Africa. The letter is dated October 7th and the Colonel is pleased his old Regiment is carrying on maintaining discipline and efficiency. He was glad the Battalion camped again this year on the old camp ground at Topsail. Colonel Franklin has just returned from a trip through Tanganyika and had contracted malaria which has affected his wounded leg so he was then in bed resting under doctor's orders. Colonel Franklin was the man that kept the Brigade going when struggling for existence and incalculable that "Franklin" spirit into all ranks—the same spirit which is in evidence to-day that has spelled success in its management. Colonel Franklin wishes to be remembered to all his old friends and expresses his appreciation of the courtesies extended his son, George K. Franklin who had paid Newfoundland and the C.L.B. a visit to Topsail Camp this summer.

The N.C.O. class is organized and had their first instruction under Sergt. Major John Andrews last night. The Sergt. Major being a war veteran and ex-Army instructor is giving the lads the right punch!

Is it Right to Use Face Powder?

Is it right to use soap? Is it right to use tooth paste? Is it right to use a hair brush? It is just as sensible to deary the use of face powder as it is to cry down the use of the other necessities mentioned. However, in connection with the face powder great care should be taken that the correct kind is used, for cheap, pasty powder is worse than useless and frequently ruins a fine complexion. Girls should be careful and select a reliable face powder like Three Flowers, which is now recognized as being the leading powder. Three Flowers powder pleases the most exacting and is delightful for the skin. It contains only the purest ingredients and cannot harm any face.

The Great German Invasion

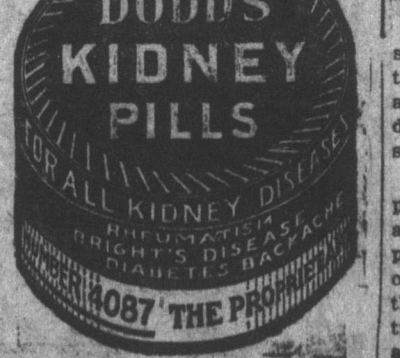

SAFETY RAZORS, 1d.—MEN'S SUITS, 12s. 9d.!

Have the Germans succeeded in doing in peace time what they failed to do during the years of war? Is the great German Invasion of Britain an accomplished fact? Listen!

There is scarcely a city, town, or village in these islands which is not at the moment being visited by glib-speaking and astute representatives of commercial concerns that are able to offer manufactured articles of almost every description at prices which are in nearly every instance, just about half those charged for goods of a similar character hitherto purchased through the usual sources. By way of example, the following might be quoted:—

Safety razors complete with a spare blade are being offered at one shilling a dozen, each outfit neatly packed in metal case.

Wireless head-phones, the price of which if made in this country would not be less than 16s. and might be

Health and Comfort in the Home.

Many a chill can be avoided by the wise use of heating with ever-ready gas stoves. An inset gas fire can easily be installed in any ordinary coal grate, and will provide the necessary warmth at any time.

Gas Fires make no work. There is no Coal to carry upstairs, and no ashes to be cleared away. They are ideal for use in faintly appointed rooms. There is no smoke or dust. They also ventilate the room. Enquiries solicited.
