TENDERS

The Railway Commission of Newfoundland are prepared to receive Tenders from reputable firms for the supply of between 6,000 and 7,000 long tons of Portland Cement.

The Cement must conform in every respect to the British Standard Specification.

The Mechanical Tests will be made by the Commission on delivery and in respect of each 100 Ton parcel. Failure of any test sample to comply with the requirements of the Standard Specification will empower the Commission to refuse acceptance of the whole parcel from which it was taken. The Contractor shall submit certified chemical analysis of each parcel delivered.

Delivery shall be at St. John's, Newfoundland, in 2000 ton lots. First cargo to be delivered not later than 7th day of June, 1925, and subsequent cargoes at intervals of 20 days thereafter. Cement must be put up in bags each containing one cubic foot of cement.

Terms: C.I.F., St. John's, N.F., Cash in 30 days from date of delivery in satisfactory condition. The Commission reserves the right to reject the lowest or any tender, and may require a satisfactory bond for the due fulfilment of the Contract.

Sealed Tenders marked on Envelope "TENDER FOR CEMENT" should be addressed to Hon. W. S. Monroe, Chairman of the Railway Commission, Railway Offices, St. John's, must state the country of origin of the Cement, and must reach him before 12 o'clock, noon, on the 12th May, 1925.
