MEETING AT DOUGLAS. AN AMENDMENT CABRIED IN FAVOR OF MR. ROSS

A meeting of the electors of Douglas and vicinity was called by Dr. Orton on Tuesday evening, July 9th, Mr. Wm. Cassidy in the chair, and Mr. A. Lightbody acting as Secretary.

The chairman called on Dr. Orton to address the meeting, after which Messrs Young, of Garafraxa, and McLean, Robon and Craig, of Fergus, severally addressed the meeting, when it was moved by Samuel Hammil, seconded by Samuel Robinson, that we, the ratepayers of the village of Douglas, and surrounding country, pledge curselves to support Dr and will Orton at the coming election, use all just means to secure his return. Lost.

Moved in amendment by James Cline. seconded by John Gill, that having every confidence in our present member, James Ross, Esq., we will use every exertion to secure his re-election to Parliament . our representative. Carried.

The meeting shortly after adjourned.

Erin Correspondence.

The Erin Company returned from their annual drill at Windsor, on Thursday The Erin Company returned from the'r annal drill at Windsor, on Thursday last, at 8 o clobk p.m. The men enj y-ed very good heath, and seemed to be in excellent epirits, notwithstanding-their long drive through the heat and dust. Many of them no doubt who had left families and businesswere glad to get bome. At six o'clock the Company with a number of the residents of the village and vicinity sat down to a splendid dinner get poy Mr Chisholm of the clobe Hotel, aided by a number of the residents of the normunity. This slight token of respect shown to the company was, no doubt, rery acceptable and appropriate. It was intended there should be some sepaking afterwards, but many of the men having some distance to go, were a anxious to get home to their families, and thus having negiceted business to atlend to they all quiety departed. The weather for the last four weeks has been very dry and hot. The crop-are and reing for the wint of rain. The hay crop is now being cut, and will be serior this year than hast, as there was considerable old hay on hand hast year, but the long winter last little over. The postate bug is making sad havoe in this section, soar cely a patch being missed. Faris greev and four or plaster semes to have a wry good effect in de-stroying them and preserving the v Erin, July 9, 187.2
