OUTSIDE SPORTS. The Philadelphia were defeated on Thursday afternoon by the Baltimore nine for the first time on their own ground...

LOCALS. Our readers who take a delight in base ball will not fail to remember Monday next - the day on which the St. Lawrence club of Kingston are to play with our Maple Leafs...

The Kinrosses play in Toronto today, and are to arrive in Guelph by the mid-night train to-night. It is expected that the Maple Leafs will have to face the Kinrosses at the Brantford tournament for the prize.

Mr. Spruce, our celebrated 8rd baseman, who had one of his fingers severely injured lately, has recovered sufficiently, we understand, to be able to play in Monday's match.

The Hespeler Silver Leafs have challenged Mr. Sleeman's Brewery Nine to a match game, which has been accepted, and clubs are to flourish next Saturday afternoon on his grounds in town near the Brewery.

The match game yesterday between the Kinrosses and the Bowmanville club resulted in favor of the former by a score of 25 to 13.

The Brantford tournament has been settled to take place on Tuesday, Wednesday, and Thursday, the 26th, 27th, and 28th inst., and \$500 in prizes are to be given.

The second game for the Knowlton Cup was played yesterday afternoon between the first and second nines of the Kinrosses Club, of London, the former giving 2 outs to the latter's 3, and resulting in favor of the second nine by a score of eight to seven in a full game.

TONKINS and Port Hens had a match yesterday in Toronto which resulted in a draw. Of the 86 runs Toronto had to make and win on the 2nd innings, they managed to score 62 with two wickets to go down when the time arrived for the Port Hopettes to depart.

The scrub match this afternoon is to take place on the fair ground, and not out by Newton's as we stated the other day.

We have received the following communication from Mr. Sleeman in reference to the game played on his grounds yesterday, the report of which, we are sorry to say, was given us incorrectly:

Sir - In looking over yesterday's Standard I notice a report of a match at base ball purporting to have taken place between the Union and the Brewery Nines. Such not being the case, would you oblige me by contradicting it.

POVERTY is bad, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, iron, by taking the Peruvian Syrup (a proteid of iron) and you will feel rich and "as good as a body." Try it.

A DISTINGUISHED PHYSIOLOGIST has said that Neuralgia is the cry of the hungry nerves for food, which is the Phosphorus contained in the blood. This painful disease is usually followed by general prostration, and is the great waste of nerve tissue and insufficient supply of nerve force to maintain the functions of the vital organs. Dr. Wheeler's Compound Elixir of Phosphorus and Calceya supplies Phosphorus for the nervous system, Lime as an excitant of nutrition, Iron for the blood, and Calceya for promoting strength. No preparation in existence is so reliable to maintain the vital forces and enervate all the organs and tissues of the body.
