

BRKFAST.—Epps' Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled—**"James Epps & Co., Homoeopathic Chemists, London."** *1/6-9m*

PESLINCHE LAKE.—The *Reformer* says: several islands and shoals are visible in the Lake at present that were not heretofore, and it is now shallower than it was ever known to be before by the oldest residents in its vicinity. The outlet, upon which Mr. Holin's grist mill depended for a supply of water, has ceased to run, and a race is being dug from the river Speed to supply the want.

HAVE YOUR CHORTING MARKS.—In a lifetime it will save you many dollars and afford much gratification. Payson's Indelible Ink is indispensable for the purpose; it needs no preparation, it will not injure the finest fabric and can be used with a common pen.

A young Leander swam across the Ohio from a lower Kentucky town the other night, to interview his lovely hero on the Indiana side, but the old man stood on the bank with a revolver in his hand and Leander swam back again.

JAMES CORMACK,
 No. 1, Wyndham Street
Co-Operative Store.

On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent. under other Houses," "To Keep the Largest and Best Stock in the Dominion."
 We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.
 Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.

The result has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.
