CRY FOR ANNEXATION.

A Dominton Government Organ Comes matics of the States and Canada.

QUEERC, Sept. 17.—The Telegraph, an old-established Conservative paper, has a startling article on the present unsatisfactory state of public affairs in Canada in which it says:

"If we are primitted to guage current events on Canada we think that sumexation to the United States is making great headway among the people. It is coming, and that before long. Sir John may preach all kinds of doctrines, he may olimbouped Johnny Bull's back, and become the last man on earth to accept the platform, but dollars and cents will bring it about. The McKinley Bill is passed by a large majority, and that deals a hard blow to the commerce of Canada. England, we are told, is as ready to give up Canada and Newfoundland as Heligoland. Now, what can we do in this part of Canada without the United States? What is to prevent them from being raised over the nation at some future period? Something must be done, because we cannot atand this tinkering at Ottawa any longer. This country is, in plain words, going to Old Nick, and if at the next general election the Reformers do not become aware of the situation we will be starved out of existence by the United States tariff. England is neither a mother nor a friend to us. We have flattered her too much, and now is the time; when one of her grandchildren is here, that we should falk as plainly as possible of the situation.

"If the capitalists of Löndon can buy up the great stock companies of the United States, if they are scared to invest a single dol

He Has a Cure. I notice in your last issue a paragraph stating I had resigned the position of organist of St. James Church (which I have held for nearly nine years) on account of ill health. Allow me to account of ill health. Allow me to contradict this statement, as I never was in better health in my life, and could not be otherwise, with such a remedy as Microbe Killer at hand, which cures all diseases. This being the case, the reason you assign will not pass muster. Guess again, gentleman. Yours, etc., William Ellis.
