#### CLEMENT SCOTT DEAD

## Away at London.

A Tokio dispatch says Admiral London, June 25. - Clement Scott, Togo engaged the Port Arthur morning after a prolonged illness fleet on Thursday, and sank a battleship of the Peresviet type jesty's Theater Thursday and badly crippled the battleship Sevastopol. With the exception ened circumstances of some slight damage to his small craft, he escaped with his

fleet uninjured. The Japanese are reported to fortress, which, evidently, expects a grand assault, as the entire male population of the city from the age of fifteen years is under arms. Owing to the many contradic-

the armies is a confused one. One dispatch says that Gen. Kuroki, with three columns, totaling 150,-000 men, has temporarily suspended his advance until Gen. Oku arrives at Kai Chou. On the other hand, a German correspond-

tory reports, the situation of

ent says this point has already been occupied by the Japanese. Gen, Sakaharoff, who is in charge of the Russian vanguard, reports continual shiftings of the enemy, which in several cases resulted in clashes between outposts. A great and decisive battle cannot be far off. The reported drowning of Marshal Oyama, the Japanese commander-in-chief, remains unconfirmed.

# RUSS PLANS AT SIXES AND SEVENS

+++++++++++++++++++++++

Kuroki's Successful Movements Cause Despair.

## SITUATION AT NEW CHWANG

# Robber Bands Attacking Russian Out-Armed by Japanese.

New Chwang, June 24, 10 a.m.—The are missing. Russians seem unable to reform their Kuroki, and are losing interest and heart in the struggle. The local censor is not passing any communications. The secret police are extra diligent and

it is extremely hazardous to attempt to send out uncensored dispatches. New Chwang is filled with rumors of more fighting to the southward. The reports come from native sources. A few Russian officers, who talk guardedly, say the rumors are untrue, but that General Kuropatkin intends to make a determined stand at Kai Chou, where many mines have been laid and trenches constructed. The field telegraph between Kai Chou and New Chwang, which was finished
