

OLD BOYS' "HOME GUARD" ARRANGES FOR DIAMOND JUBILEE REUNION DURING CIVIC HOLIDAY WEEK IN AUGUST

Will Again Pilot Home Guard in "Jubilee Reunion"

LT. COL. H. R. ABBOTT, President of the Home Guard, who has charge of the London Old Boys' Reunion of 1914. The colonel is one of the hardest workers of the "Home Guard" and has started his 1914 campaign with the avowed intention of making the Diamond Jubilee celebration "the best ever."

COMING TO LONDON

Mr. and Mrs. William Fox Are Leaving Florence.

[Special to The Advertiser.] Florence, Jan. 15.—Mr. and Mrs. Wm. Fox have moved to London, where they intend to reside. Before leaving here St. Mathew's Guild met at their home and presented Mrs. Fox with an address and a set of handsome silver teaspoons as an appreciation of her valuable services.

Mrs. Fox has been connected with the St. Mathew's Church as a member from her early childhood, having always resided in the vicinity. Mrs. (Rev.) Smith read the address and made the presentation. Mrs. Fox was much affected by the gift, but made a suitable reply. A most delightful evening was spent and a very dainty lunch was served to the ladies of the guild and their husbands.

DANIA IS SAFE.

Havana, Jan. 15.—The Hamburg-American liner Dania, from Hamburg, about which there had been some anxiety on account of her lateness, will arrive here at 2 o'clock this afternoon according to a wireless dispatch received by one of her consignees.

STOP STOMACH WORRIES NOW

And Use Stuart's Dyspepsia Tablets So That You Can Digest Each Meal Quickly and at the Same Time Renew Your Digestive Strength.

Learn once again how to smile and laugh, and stop this grouchy moodiness. This condition arises from a faulty digestion and cannot be removed unless you use common sense and assist Nature a little.

"I am a New Man Since Stuart's Dyspepsia Tablets Gave Me a New Stomach and Appetite."

If the stomach is overworked, its muscles become tired and gradually grow weaker and weaker, until they are unable to take care of the food properly. The glands fail to provide the juices necessary to digest the food. Gases form and cause all sorts of pain, misery and wretchedness, as well as extreme danger to the heart.

It is then that the stomach calls for help. Ordinary medicines are impossible. They not only fail to help the stomach, but injure the entire system. Medical men have studied the stomach and have discovered that the digestive juices consist largely of pepsin and nitrogenous ferments. What, then, would be more natural than to supply these properties artificially when the stomach is unable to produce them.

That is the object of Stuart's Dyspepsia Tablets. These powerful little agents relieve the stomach of its burden, thereby giving it an opportunity to regain its normal strength. They tone up, strengthen and revitalize the secretory glands, mucous membranes, absorbing glands and muscular walls. They restore to the stomach its lost powers of digestion, so that it can again do its work without assistance. They contain, in a concentrated form, every element necessary to digest all sorts of food, whether acid or alkaline.

If you experience an oppressive feeling just inside the lower end of your breast bone and extending upward towards your heart, do not hesitate an instant. Get Stuart's Dyspepsia Tablets from the nearest druggist at once and take one. In a few minutes the pain will leave you and you will feel better. Take a tablet after each meal for several days and your stomach will once more perform its duties. All druggists sell them at 50c a box.

Make Preliminary Plans at the Meeting in City Hall Last Night.

RE-ELECT COL. ABBOTT

Last Year's Chief Executive Again Returned to Office for 1914.

ED. SMITH, IS SECRETARY

The diamond jubilee London Old Boys' Reunion will be held next August in the week commencing Monday, the third, civic holiday. This was decided upon at the annual meeting of the home guard in the city hall last night.

There was a large attendance of old and new members and the meeting was enthusiastic to a degree. Lieut. Col. Dr. Harry R. Abbott was in the chair, and was the unanimous choice of the meeting for another term. Edwin Smith, who has been acting as secretary pro tem since the recent meeting of the executive, accepted the permanent secretaryship, there being no other nominations for the position.

Women Wanted Married Men. President Abbott was not anxious to hold the position for another year and thus keep other men out of the honors, but declared that there was just enough Irish fighting blood in his veins to keep him on the job in the face of the criticisms that had been made of the way the last reunion had been handled. He thought that perhaps a married man would be more acceptable to the women but was gratified at the honor that had been paid him.

The full complement of officers elected was as follows:—Honorary Presidents—Hon. Adam Beck and Sir George C. Gibbons. Honorary Vice Presidents—Major Thos. Beattie M. J. Duffield, T. H. Smallman, Hon. C. S. Hyman, and the mayor. President—Lieut. Col. Dr. Harry R. Abbott.

First vice-president—Ex-Ald. J. H. Saunders. Second vice-president—Ex-Ald. B. W. Bennett. Third vice-president—Ald. F. G. Mitchell. Fourth vice-president—Judge W. H. Chittick. Secretary—Edwin Smith.

Wanted to Ring Out the Bell. Treasurer James S. Bell, who had acted as treasurer of the organization for a number of reunions, wished to decline the job on the ground that the city bylaws forbade any officer of the corporation to engage in private work without the consent of the board of control.

The mayor assured Mr. Bell that this consent would be forthcoming in his case, and the result was that the city treasurer consented to again perform the duties that he has so well looked after in the past.

The appointment of the various committees was left in the hands of the nominating committee which consists of the officers of the association and any members they may care to add.

Surplus of \$737. Treasurer Bell reported that the association had a surplus of \$737.01, with all accounts paid. As may be seen from this the organization is in splendid shape, and from the enthusiasm displayed at last night's meeting the coming reunion will be the greatest affair of its kind ever held in London.

The color scheme to be used in the reunion was left in the hands of the decoration committee.

After Amusement Contract. The representatives of two amusement enterprises were present to present their propositions to the association, but this matter will be taken up by the entertainment committee. One of the advance agents suggested that the meeting of the entertainment committee be a public affair where the ambassadors from the two amusement houses could be present to exploit the merits of their respective shows, the engagement of one or the other hanging on the vote cast in the hall.

At the meeting last night J. M. McEvoy was present, and it was said that he was there partly in behalf of one of the amusement enterprises tending to the contract. It was suggested to the representative of the other company that he should make an effort to secure Sir George C. Gibbons to present his case, so it is possible that the meeting of the entertainment committee will see two of the city's foreign legal rights discoursing upon the merits of their respective clients' shows, and battling in high-flown language for the contract.

The membership fee was left at the same figure, viz., one dollar the year. Among those present were: Lieut. Col. Dr. Harry R. Abbott, Ex-Ald. B. W. Bennett, Edwin Smith, R. A. Carrothers, James H. Horvick, John C. Fitzgerald, J. W. McEvoy, the Mayor, W. H. Abbott, J. H. Bastia, Fire Chief William Attkin, John Eggert, E. W. Harrison, E. W. Scott, Col. Francis Ferrar, W. A. Shanahan, Victor D. Levitt, Walter Carrothers, City Hall Superintendent Harry Merritt, W. L. Taylor, W. J. Armstrong, C. E. A. Webb, Charles Brennan, J. Harry Fowler, J. Ellison Young and many others.

ARRESTED FOR THEFT

Sample Drink Alleged to Have Been Too Much For Youths.

[Special to The Advertiser.]

Blenheim, Jan. 15.—Two young men, James Marshall and Clifford Early, are in jail tonight charged with house-breaking. They were arrested by Chief Earl, and brought before Magistrate Greenwood, and were remanded until Saturday.

Bailed in the sum of \$500 each was asked, but could not be raised.

It is alleged they stole a gallon jug of whiskey from the house of a party who had on Monday evening given one of them a sample drink. In their haste the jug was left on the sidewalk and broken, and the booze all spilled. Interesting developments are expected at the trial.

OPPOSE LEASING

Wool Growers Object to Bill Before Congress.

[Canadian Press.]

Salt Lake City, Jan. 15.—At the fifteenth convention of the National Wool Growers' Association, which opened here today, opposition developed to the proposed leasing of public lands, as provided in bills now before Congress. Speakers, however, generally urged the sheepmen to adjust themselves to existing conditions, and "act as cattlemen would in a stampede—ride in front of the herd and guide it out of danger, instead of merely opposing."

The convention listened to the annual address of President Frank J. Hagenbarth.

Newly Elected Secretary of London Old Boys

Son of the late H. T. Smith, who for years superintendent of the London Street Railway. City representative of T. B. Escott & Co., Limited, wholesale grocers. Mr. Smith is well known in London. TREASURY WARRANTS FOR PRUSSIAN LOAN

Government Tries New Plan in View of Poor Success in Past Year.

[Canadian Press.]

Berlin, Jan. 15.—The loan of \$100,000,000 to be floated by the government of the Kingdom of Prussia on January 29 is to take the shape of a new form of four per cent treasury warrants, in view of the lack of success of the government issues made during 1913. It is to be offered on better terms to the public, being issued at 97 and is to be redeemable at par in from one to sixteen years. The loan issued in June last year was at 97-90 and that in March at 99, and these were largely unsubscribed.

BANK OF COMMERCE ANNUAL REPORT

After all Expenses Paid, Bank Shows Good Surplus—Many New Branches Opened During Year.

Toronto, Jan. 15.—The 47th annual meeting of the shareholders of the Canadian Bank of Commerce was held in the banking house at Toronto on the 13th of January, 1914, at 2 o'clock.

The following report was submitted to the shareholders:

"The balance at credit of profit and loss account brought forward from last year was \$71,578.88, and net profits for the year ending Nov. 29, after providing for all bad and doubtful debts, amounted to \$2,892,951.10.

LUSITANIA SAVED CREW OF SCHOONER

Reports That Vessel Was Mayflower, of Nova Scotia. But This Is Disproved.

[Canadian Press.]

New York, Jan. 15.—The commander of the Cunard liner Lusitania, which sailed from here on Wednesday for Liverpool, sent a wireless message to the line today saying that at 8:30 o'clock this morning, in latitude 42.12, longitude 50.30, the Lusitania had rescued the crew of eight men from the Nova Scotian schooner Mayflower. The schooner was abandoned and set on fire.

Marine records show that the British schooner Mayflower left port Humber, N. J., on December 30, for St. John, N.B., and touched at Booth Bay, Me., on January 10. She could not possibly have been in the position indicated by the Lusitania today. No other Mayflower of the schooner type is recorded.

"CAFETERIA EVENING" FOR CLUB MEMBERS

Dundas Centre Organization Adopt Novel Method of Entertainment.

In the form of a "cafeteria evening," a successful social and entertainment was held in Dundas Centre Methodist church Thursday evening, by Number Eight Club and the Men's Sunday Morning League. The committee in charge believe this form of social to be more effective in getting people acquainted than the old-fashioned supper at which the guests sit at the same table throughout the evening.

All the eatables occupied a central table and everyone had to help himself to "everything." Self service socials will probably be repeated monthly at Dundas Centre church.

Albert E. Cayley presided and introduced the programme which included an address by Rev. A. J. Jones; a reading by Fred W. Daly, B. A.; a ghost story by Professor James H. Bowman; a tenor solo by Mr. Dodgson; a recitation by Bert Hannah; and a bass solo by James Fowler. Morris, organist of Dundas Centre church, was accompanist for the musical numbers.

FOREIGN MISSION GIVING DECREASED

According to Conference Figures, Which, However, May Not be Authentic.

[Canadian Press.]

New York, Jan. 15.—Protestant congregations and their members in the United States and Canada spent \$61,458,000 in 1913 in foreign mission work, according to figures issued by the foreign missions conference which closed its sessions here yesterday.

The amount is lower by \$17,317,000 than the outlay of 1912. It was stated, however, that this indicates a real decline, because the statement for 1913 is the first authoritative one issued, former statistics having been compiled in an unsatisfactory manner.

COMPLETES TERM IN KINGSTON; REARRESTED

[Canadian Press.] Kingston, Jan. 15.—Detective Archibald, of Toronto, was here this morning, and left for Toronto with Reginald Launcelot Willoughby Middleton, who completed a four-year term for forgery, having been sentenced from Toronto, Middleton will be deported to Wellesley, Mass., where charges of grand larceny have been made against him.

The latter suffered very serious wounds and is now threatened with blood-poisoning. Banks is suing Young for damages, but the case had to be postponed owing to Banks' condition. He may have to lose several fingers.

BANK OF TORONTO ANNUAL REPORT

Assets Show an Increase of 1,698,616 Dollars.

Toronto, Jan. 15.—The 58th annual report of the Bank of Toronto shows a successful year's business.

The profits for the year, after making the usual deductions for expenses and bad and doubtful debts, \$350,694; a little over 11 per cent on the capital. To this is added \$176,573, balance from the previous year, and \$203,000 from former appropriations not required, making a total amount for distribution of \$1,227,272.

Dividends at 10 per cent, and bonus 1 per cent to shareholders, called for \$600,000.

Usual appropriations to officers' pension fund, \$20,000. Written off bank premises, \$500,000, being about 10 per cent of the total amount, and making \$500,000 written off in the past three years.

Amount carried forward in profit and loss, \$307,272, which, with the rest of \$9,000,000, made total reserve funds exceed the paid-up capital of \$5,000,000, by \$1,307,272.

General statement: Deposits show increase of \$1,684,250, a satisfactory showing, in view of the vast withdrawals of deposits throughout the country for other investments.

Assets immediately available, \$14,072,236, equal to 28.34 per cent of liabilities to the public, and an increase for the year of \$1,883,018.

Loans, \$42,478,485. After allowing for the different method of treating the rebate of interest called for by the new act, a net decrease of \$1,068,017 is shown, indicating the ability of the bank to strengthen its position by turning part of its loans into available funds, while at the same time taking care of the needs of its many customers at points scattered from Gaspe to Victoria.

It is noticeable that the statement does not include any "loans elsewhere." Total assets, \$50,925,164, an increase for the year of \$1,698,616.

EMPEROR ADVISES PRINCE TO REFUSE

Thinks Albanian Throne Would Be No Bed of Roses—Assassination Probable.

[Canadian Press.]

Berlin, Jan. 15.—The Tagliche Rundschau learns that the emperor has repeated conversations with Prince William of Wied, counselling him not to take the Albanian throne. The emperor, according to the same authority, has also expressed himself to others as most pessimistic over the outlook for the prince. This view is shared by many prominent personages, who believe that the prince would be in constant danger of assassination by fanatics.

REMOVAL OF DUTY MERELY A CANARD

It Is Now Believed the Wheat Tax Will Stay—Speculators Win.

[Canadian Press.]

Calgary, Alta., Jan. 15.—Some well-informed grain men assert that the story that the Dominion Government was likely to eliminate the duty on American wheat is now said to be a canard. Speculators are believed to have made some millions of dollars on the rise, and expect to make another substantial clean up again when it becomes known the duty is to remain as it is.

WIVES AND MOTHERS APPEAL TO M'BRIDE

Ask Clemency Towards Imprisoned Miners—No Promises Made Them.

[Canadian Press.]

Victoria, B. C., Jan. 15.—The executive chamber of the provincial building has probably never witnessed a more affecting scene than that which took place yesterday, when upwards of sixty women, wives and mothers of the imprisoned miners from Ladysmith, Wellington and Nanaimo appeared before Premier McBride and appealed for clemency on behalf of those held for participation in the riots of last August. Premier McBride would make no promises with regard to clemency, pointing out that such a matter as this lay with the authorities at Ottawa.

New Home Treatment For Removing Hair

(Modes of Today.)

The following formula is now almost universally used by beauty specialists for banishing hairy or fuzzy growths from the chin, lip or cheek: Get from a druggist a small original package of delatone and mix enough with water to cover the hairs not wanted. Apply and in about 2 or 3 minutes remove and with it comes every bit of hair. The skin should be washed following this treatment to remove the remaining delatone. Be careful to get the real delatone, otherwise you might be disappointed.

LITTLE TALKS

[Copyright, 1913, The International Syndicate, Baltimore.]

No. 56

IN the window of a store located in the heart of the retail shopping district, I saw, the other day, a crudely hand-lettered cardboard sign, about 12 inches wide by 6 inches deep. It was practically buried among a lot of miscellaneous merchandise, and read:

Sales Lady Wanted

Now, let's see: How many out-of-job sales-ladies pass that store in the course of a day? I guess 50. That's a fair estimate, isn't it? How many of the 50 will stop to look in that window and discover the little cardboard sign? Say, 10 per cent. That's 5. The store isn't a particularly attractive one, and wouldn't convey the idea that a good salary is attached to the vacancy in the sales force. So I figure that only three out of the five who see that sign would apply for the job. That makes three applicants a day for the proprietor of that store to select from.

Suppose the proprietor, instead of depending on an obscure sign in his window, should insert in this newspaper a little Want Ad. in the "Help Wanted—Female" column. Suppose he worded his ad. something like this:

WANTED—A NEAT, COURTEOUS saleslady: one with experience preferred. Apply, Blank's, 2000 West Lexington street.

That ad. would cost him, say, thirty cents or so. Several hundred women would read that ad. and, instead of having only a few applicants to select from, he would have quite a number—and of a better class than those who walk the streets in search of employment.

Such is the power of advertising—and, really, isn't it quite simple and inexpensive?
