Life and Character Reading

MAY 23

People born on this date come under the sign of Gemini, the dual personality. This sign makes people an exact contradiction of themselves, and this contradiction causes a state of nervousness which is hard to overcome.

These people are not selfish or envious. They are thoughtful of the poor, and very sympathetic with the suffering. They are fond of the arts and sciences, are great readers and good talkers and very quick to see the point of a story or joke.

These people are very executive with the hands, and can do any kind of plan and see a device and pattern and, if not interfered with, will bring the work to beautiful completion.

Real Estate and lots for sale are the bargains the Want Ads have in store for today. Watch them carefully and if you have a piece of property you wish to dispose of, now is the time to sell it.

STATES ROAD EXPENDITURE. OTTAWA, May 22.—The Dominion Government has paid \$1,552,335.77 to the Ontario department of public works in approved road projects, it was said, in the House of Commons question time this afternoon.

EXPECT OPENING OF WILSON TRIAL

LOS ANGELES, May 22.—The trial of Herbert Wilson, well-known in the Pacific Northwest and Canada, on a charge of robbing government mails, probably will open in the federal court here tomorrow.

Wilson was arrested with Herbert Cox, following investigation of mail robberies in excess of one million dollars here and elsewhere.

Cox was shot and killed a few weeks ago while on the "bridge of signs" of the county jail along with Wilson during an attempted jail break. Wilson faces a charge of murder.
