A MUCH MARRIED YOUTH!

Two Wives in Eighteen Months.

JOHN BENNETT'S MATRIMONIAL CAREER.

The sensation caused by the Oliver bigamy case, has scarcely been forgotten, when another of a similar nature has arisen in this city.

On Dec. 12th, 1881, Rev. A. J. Mowatt, Pastor of St. Paul's Church, united in marriage on John Bennett and Elizabeth Meade, and the marriage notice was duly recorded in the city papers, and copied in the city press.

An interested eye rested on the notice in the latter, and the witness of the ceremony was not unimpressed. Magistrate Marsh received a communication from a young woman in Carleton, St. John, who claimed to be the wife of the said Bennett, and making enquiries as to the particulars of his marriage in this city. These were furnished, but was not until Monday last that the aid of justice was sought. By the noon train that day, arrived Mrs. Bennett No. 1, but another Mrs. William Jones of Lancaster, St. John, and Rev. Geo. A. Hartley, Pastor of the Free Baptist Church, Carleton, Mrs. Jones immediately laid information before the Police Magistrate charging Bennett with "unlawfully taking to wife" Elizabeth Meade. The warrant was placed in the hands of City Marshal Woodward, who assisted by Police Constable Charles, arrested Bennett, and took him to King Street, shortly after one o'clock, Monday afternoon, and lodged him in the Police Station to await his preliminary examination, which commenced at 3 P. M., before the Police Magistrate. The news of the arrest had soon spread round the city, and a large number of persons gathered in the proceedings in the Court opened.

Mr. Bennett, who was not until Monday last that the aid of justice was sought. By the noon train that day, arrived Mrs. Bennett No. 1, but another Mrs. William Jones of Lancaster, St. John, and Rev. Geo. A. Hartley, Pastor of the Free Baptist Church, Carleton, Mrs. Jones immediately laid information before the Police Magistrate charging Bennett with "unlawfully taking to wife" Elizabeth Meade. M., before the Police Magistrate. The news of the arrest had soon spread round the city, and a large number of persons gathered in the proceedings in the Court opened.

Mrs. ELIZABETH JONES, the PROSECUTRIX, was the first witness called. Being sworn, she said: "I reside in Lancaster, St. John. I am the wife of William Jones, I know St. John prisoner; I ought to know him. He was married to a daughter of mine, Mary Jane Jones, July 21, 1880, by Rev. G. A. Hartley. Mr. Hartley is a minister of the Free Christian Baptist Church. My daughter was a single woman at the time Bennett was married to her. After the marriage they lived together as man and wife in my house at first, and afterwards went to housekeeping themselves. I don't remember how long they lived upon me, but I can give positive evidence that the man, Elizabeth Campbell, William Best, my husband, myself and family were present at the marriage.

The prisoner declined to cross-examine. REV. G. A. HARTLEY, sworn: I am a minister of the Free Christian Baptist Church. I reside at Carleton, St. John. I have charge of a congregation of 300, I know the prisoner. I know Mary Jane Bennett, now in Court. I solemnly depose the ceremony of marriage between Bennett and the first wife of Jones, being the name in the license, but she was using the name of Mary Jane Jones. This is the license. The prisoner declined to cross-examine, but asked the press reporter what she did not own the woman as his wife, and would have nothing to do with people who defame the church she did. The following is the public what she said when she came into Court.

REV. G. A. HARTLEY, sworn: I am a minister of the Free Christian Baptist Church in Canada and pastor of St. Paul's Church in this city. I know the prisoner, but not very well, but I recognize him. The only time I remember to have seen him was on the evening of the 12th inst. when he came to my place in company with Miss Mead and a number of parties. I do not remember all the details, but I know that he and his mother were present. Mrs. Mowatt was present at the marriage. I have an impression that a young man sufficient name to Elizabeth Mead by license. (License produced.) I gave the usual certificate to her record, and the heraldry of that sort of trash does not become the source from which it initiates, and which is accounted for at its true value by the electors.

The galleries were well filled, the occupant of the front benches, both gentlemen and ladies, felt better after each giving expression of contempt for the other, for the creditors after the discussion, they shook hands as cordially as possible under the circumstances.

THE PRISONER'S SENTENCE. When the County Court opened Tuesday before Mr. Justice Storer, the prisoner, also Bennett for bigamy was sent before the Grand Jury, who shortly brought in a "true bill" against him. On motion of Mr. E. W. Gregory, Q. C., the prisoner was brought into Court, and on being asked by His Honor the usual question, he pleaded guilty, and was remanded for sentence till yesterday, when he was ordered to be imprisoned in the Dorchester Penitentiary for a term of three years. The prisoner is only about twenty-three years old and possesses a rather pleasing appearance, which however does not mean that he possesses a more than ordinary amount of what people call common sense. He was either unwary or the consequence of some other "fresh" as to the certainty of his being detected in his guilt, or had a desire to become notorious in the United States. The twenty twinges endured by rumination are first noticed in the end and primarily relieved by that benevolent annihilator of pain and preventer of sorrow, THOMAS' ELECTRIC OIL, a combination of six potent medicinal oils, devoid of alcohol, and free from any deleterious or irritating application, because little of it is usually required to produce the desired effects, and the small cost of the medicine is doubly insignificant by contrast with the ordinary results which it achieves. It is equally safe whether taken internally or externally, is applicable to diseases and injuries of horses and cattle, as well as of man, and is particularly valuable in cases of rheumatism, dizziness, piles, tumors, sores, and a great number of other physical ailments. Sold by Messrs. J. & W. NORTHROP & LYON, Carleton, Ont.

ENCOURAGING TO DYSPYPTICS. CHARLOTTE W. P. E. L., Nov. 11, 1878. Mr. James H. Robinson, St. John, N. B. Dear Sir,—By my saying, almost an accident, I may this spring, being confined to my bed, have been the means of saving to you the most eminent physician of Charlotte, N. B., and a man of great worth, as beyond all power to help me. Dr. Baxter, of Moncton, having occasion to call upon me on local grounds, he was informed of my state of health, and after fully describing my trouble, which by the doctors attending me had been pronounced incurable, he procured for me a bottle of your "Boschee's" Syrup. I was told that I could only get about three days, while tea, coffee, or milk could not be taken, and a slice of dry toast would invariably give me the utmost distress. Dr. Baxter recommended Robinson's Phosphoric Acid, and I had that in my hand, and I had a public debt which could only be paid by saying to all similarly afflicted, "Go to Robinson's 'Boschee's' Syrup." To-day I am hearty and strong, and can, without fear, indulge in all the luxuries of a first-class hotel.

Yours, etc., (Signed) J. McKEON. For sale by Druggists and General Dealers. Price \$1.00 per bottle; six for \$5.00.

Deaths. In this city, on the 21st inst., by the Rev. A. J. Mowatt, William Todd to Miss Maggie McLean, both of Fredericton.

LIVED ON HIS FATHER-IN-LAW. and got gradually behind in his board account, during his short stay in the city, he was arrested on a charge of debt. The only way Mr. Flagg could get his bill settled was by obtaining an order on Messrs. Barnham out of Bennett, and the amount he kept out of the latter's pay. He got pretty sick in appearance at last, and finally left the factory employ and moved to his home in the summer in Messrs. E. G. Dunn & Co.'s mill, where Jones also worked. Bennett there met Mary Jane Jones, the eldest of Jones' large family, and it was a case over at first sight. They celebrated Dominion Day, July 1st, 1880, by having the marriage ceremony performed on that evening by Geo. A. Hartley, of the F. C. Baptist Church, officiating. The ceremony was performed in Jones' house, and there was a grand display of fireworks and—firewater. The groom got a little too "spirited" towards the close of the entertainment and "let out" one of the guests rather unceremoniously. The pair got along all right during the summer, and in the winter following Bennett
