PORT DANIEL, QUE.

The Annual Agricultural Show was held in Port Daniel Centre on Tuesday, Sept. 27th and was most successful from every point of view. The exhibit of horses, cattle, swine, sheep, poultry, farm, garden and dairy produce was most excellent.

Among the horses were Clydesdale and Percheron, the cattle short-horn, Argyshire, Jersey and Holstein and many other grades.

Prizes were taken by exhibits belonging to Edgar Lawrence, John A. MacPherson, Herbert Sweetman, N. L. Dow, Jos. Jones, A. D. LeGrand, Arthur Lawrence, Ernest Lawrence, Phil Sweetman, W. Ahearn, Eridley Watt, Allan Mahan, James Day, Edmund Day, Geo. McDonald and E. Dow.

Prizes for butter were awarded to Mrs. Allan Mahan, Mrs. Edmund Day, Mrs. A. Lawrence and Mrs. Claude Sweetman.

Going through the grounds and buildings one wondered how the judges would be able to perform their difficult task. Everything served worthy of a prize.

The day's programme closed with races.

The first one between Mr. James Miller and Mr. John T. Allen of Shigawake both were best. The foot-races were won by Walter Lawrence, Lenard Dow, Herbert Acteson, Grace Lawrence and Mabel McDonald.

Dinner was served by the ladies of Port Daniel and on every hand one heard complimentary remarks regarding the excellent quality of the dinner. Everybody knew that the proceeds were to be given to the Soldiers' Memorial Hospital and much interest was manifested in the results.

The Secretary-Treasurer of the Agricultural Society, Mr. George Kennerly kindly took the office of auctioneer at the close and owing to his ability everything was sold.

The ladies of Port Daniel certainly deserve much credit and appreciation for their efforts to raise money and the result netted about \$56.00.

My many friends may take an opportunity than this meeting and mingling with old friends for everybody was there and in holiday humor.

People were also present from New Carlisle, Shigawake and New Port. Your correspondent naturally turned a backward glance to the first show attended here, before the train had arrived or automobiles had been heard of. Now they are on every hand.

The day was fine, the wonderful

STOMACH ULCER AND GALL STONES

After Suffering 25 Years, Completely Relieved by "FRUIT-A-TIVES"

MR. EDWARDS

MAPLEHURST FARM, HILLCREST, P. Q. "I am now 78 years old. About 25 years ago, I began to have trouble with my stomach. One doctor said I had Cancer; another said, Ulcer of the Stomach; another, Gallstones; others, Ulcers of the Liver and Inflammation of the Gall Bladder.

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."

Then, I began to take "Fruit-a-tives." I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much!"

BRINGING CANADA NEARER TO BRITAIN

Proposed Four Day Service Between Canada and Great Britain.

London, Sept. 27.—"The new service of steamships bringing Canada four days from the United Kingdom is on the way to becoming an accomplished fact," says an announcement issued by the London newspapers by the recently formed Canadian Pacific Railway Company, is president, and Grant Morden, of the Canada Steamship Lines, is vice-president.

The financial editor of the Times remarked that this fast trans-Atlantic service between Canada and Britain forms part of the plan submitted by the Imperial Shipping Committee. Doubts have been expressed regarding the realization of this plan unless it was launched and supported by one or more of the governments of the British Dominions.

The Times adds that any state shipping schemes, in view of the prevailing depression will be scrutinized very closely. Any and general experience of state management, says the writer, hardly encourages the development of the principle involved in such schemes.

JACQUET RIVER.

Miss Doris Frenette of Jacquet River was completely taken by surprise on the 19th inst., when a party of young friends from Campbellton, Dalhousie and Bathurst came to wish her many returns of her birthday.

YOUNG GIRLS NEED CARE

Mothers! Watch Your Daughters' Health

Health Is Happiness

From the time a girl reaches the age of twelve until womanhood is established she needs all the care the thoughtful mother can give.

The condition that the girl is then passing through is so critical and may have such far-reaching effects upon her future happiness and health that it is almost criminal for a mother or guardian to withhold counsel or advice.

Many a woman has suffered years of prolonged pain and misery through having been the victim of thoughtlessness or ignorance on the part of those who should have guided her through the dangers and difficulties that beset this period.

Mothers should teach their girls what danger comes from standing around with cold or wet feet from lifting heavy articles, and from overworking. Do not let them do anything if they are complaining of headache, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make life easier for her. She needs thoughtful care for a few years.

In all such cases Lydia E. Pinkham's Vegetable Compound should be given as it is especially adapted for such conditions. It contains nothing that can injure and can be taken in perfect safety.

Read how Mrs. Eicher helped her daughter. She says:

"At the age of sixteen my daughter was having trouble every month. She had pains across her back and in her sides. Every month her back would pain her so she could not do her work and would have to lie down. My married daughter recommended Lydia E. Pinkham's Vegetable Compound and I read the books which were left at my door. She took it faithfully and is now regular and has no pains. We recommend the Vegetable Compound and give our permission to publish this letter in your little book and in the newspapers."—Mrs. KATIE EICHER, 408 N. Fairall St., Philadelphia, Pa.

Mrs. Williams will profit by her own experience. She says:

"When I was thirteen years old I had sick spells each month and as I was very backward I would bear the pain and my mother knew nothing about it. I read in the daily paper about Lydia E. Pinkham's Vegetable Compound and took my own spending money and bought a bottle. It helped me so much that I took it regularly after that until I had taken ten bottles and I did not have any more pain or backache and have been a healthy, strong woman. I am now 39 years old and have a little girl of my own, and when she gets old enough I shall give her none other than Lydia E. Pinkham's Vegetable Compound."—Mrs. C. E. WILLIAMS, 2437 W. Toronto St., Philadelphia, Pa.

For almost fifty years Lydia E. Pinkham's Vegetable Compound has been relieving women, young and old, of ailments peculiar to their sex. Ask your neighbor about it, for in every neighborhood there are women who know of its merits.

Thousands of letters similar to the above are in the files of the Lydia E. Pinkham Medicine Co., and for years such letters have been published. Surely it is worth your while to make a fair trial of Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

You Just Try NR For That Indigestion

Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back.

One Day's Test Proves NR Best

The stomach only partly digests the food we eat. The process is finished in the intestines where the food is mixed with bile from the liver. It must be plain to any sensible person who reads this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome.

This fact also explains why sufferers from indigestion, who suffer more or less from headache, biliousness and constipation, should take one or two boxes of Nature's Remedy (NR) Tablets.

If you are one of the many unfortunate persons who cannot get without suffering after meals, if you have constipation, bloated stomach, headache, coated tongue, bad breath, nervousness, indigestion, heartburn, acidity and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR) Tablets. It will take you about a week to get the full benefit of the medicine. Give it a trial for a week or two.
