The money collected by the Mayor of St. John and the St. John Globe for the field kitchen fund of the 26th Battalion will be refunded. These collections were instituted at the sugges tion of local officers and on the distinct understanding that the equipment is needed and is not supplied by the war office. Similar collections were made in many other Canadian communities,

without satisfaction, and spent large sums of money, until we happened on 'Fruit-a-tives! In consequent of persist-ent rumors that there was some mis-understanding the Mayor on Sunday cabled the war office direct, asking in-formation, and to-day received a reply that all infantry regiments going into foreign service are given field kitchens. As a consequence of this the Mayor will refund all moneys paid into the fund by generous citizens and com-munities.—St. John Globe.
