"ENGINEER'S FAVORITE" TUBE CLEANER strong and durable. Has no wire or spiral spring to get out of order. Can be set up or slackened down while in the tubes.

RICE LEWIS & SON, Hardware and Iron Merchants, Toronto.

The market was dull to-day and stocks opened weaker in the majority and continued throughout the day, closing within a fraction of the opening prices.

WALL-STREET GOSSIF.

New York, Jan. 17:—The feeling was hopeful as expressed by the few brokers found at the Windsor Hotel and the Hofmann House last night. The fact is that while business remains as dull as at present, very few operators are to be found who will commit themselves in opinions, but those who do talk are sanguing that the present month will yet see the promised buil market well under way. The cables from London are flattering, and the buying of both stocks and bonds for European adcount, while not being particularly demonstrative, is first-class. Investment business is very good, in fact better than in over two years previously.

One of the largest and most representative bankers in the street, said: "An exactly similar condition of affairs to the present existed about ten years ago; the market was then as ow in a comparative state of stagmation, radually the investor came in, but at first he improvement was not very decided. Tradiging the point of the property of the provided of the provided
