Upright Pianos Cabinet Organs

ARE ACKNOWLEDGED BY LEADING MUSICIANS TO BE STRICTLY FIRST-CLASS.

Our Large Pedal Organs and Chapel Styles are better for medium and small-sized churches than Pipe Organs or Vocalions and at half the cost. They contain Scribner's Qualifying Tubes, of which patent we have been the sole owners for 15 years past, and the patent having lapsed has now become public property.

All intending purchasers should see our instruments and get prices. Catalog free.

This sort of healing the sick is not "mysterious," but easy of comprehension, and one with fair intelligence can acquire it in a few lessons, thus making it a stranger and health like truth to prevail. A few are sick and afflicted are respectfully invited to call at the Canadian Institute of Phrenology, opposite O'Connell Hall, 143 Queen-street West.
