EAST LAMBTON FALL FAIR

BRIGHT WEATHER FOR BOTH DAYS. GOOD ATTENDANCE AND PLEASING DISPLAY IN ALL DEPARTMENTS

third. The judges had a hard time de-ciding but, like the children and their Favored with perfect weather conditions on both days the annual ex-hibition of the East Lambton County Fair held at Watford on Thursday Fair held at Watford on Thursday and Friday last will go down in the history of the Society as one of the most enjoyable and successful ever held here. The officers and directors promised a good fair with pleasing attractions and that they carried out their promise was the general verdict. From the Hon. President, John Farrell and President Zavitz, right through the list, the officers worked hard for success, and they should derive a good deal of satisfaction from the fact that no complaints were heard on the conducting of any department of the Fair and they are to be congratulated on the success attained.

In every department the exhibits were high class, although n some the entries did not come up to last year. There was an exceedingly large show There was an exceedingly large show of poultry and this section seems to grow each year. The fruits and vegetables were this year-shown in downstairs of the Main building, the building near the entrance of the grounds having been converted into box stalls. The display of live stock was well up to the average if not above, and was of yery fine quality. The only local firm making a display in the building was Harper Bros.

in the building was Harper Bros., who had a demonstration department, showing Victrolas and the celebrated Mason & Risch piano—the plano with a soul. Upstairs was dis-played the ladies fancy work and the dairy, apairy and domestic science entries. There were some excellent samples of ladies work but the num-ber of exhibits was a little below last

The Midway was large, clean and attractive, and the young people found lots of entertainment there. where you could get suckers for the babies and jewelry for the ladies; hot dogs, china dogs, woo'lly dogs, birch beer and sandwiches; swagger canes and necklaces and every kind of fol-de-rol. Read your hand and try your strength and three halls to test. your strength, and three balls to test your skill for kewpies big and kew-pies small; all kinds of candied fruit lemonade and orangeade; cider without a kick, ice cream and cracker-jacks; pop corn and toy ballons, chewing gum and rank cigars. You could shoot dummy cats with ball or gun, and there were many other ways to blow your surplus coin.

a plentiful supply of choice music which was much enjoyed by all present. The music was a big addition to the attractions of the Fair, the quality was ity was good and the quantity was

not stinted.

The evening entertainments proved good attractions for the visitors.

Both concerts were fairly well atended and the Lyceum was crowded to the ed and the Lyceum was crowded to the
doors, many being anxious to see the
Ford picine pictures and the other
reels. The Tennis dance in the

his usual pleasing manner. Watford
