This delicions prepiration deservediy beads the list of all simplar foode in the market, since the prucess of its manaficture from carefally selected cerals, while rejecting everything irritating and indicipatible by the stomach, relyins all the mourishing elements which build up blood bonev, bruins, and the whole tody. Especially does it ruit the nourinhment of the young the aged find those with feeble stomache who rrject other firmof solid frod, and it is thus at once food and medicine. It is manufacfured by the stevene-iampbell Co, at the Kent Mills Chntiam. and kold by them wholesale and by G E. Young and other grocern retail. Ii ower its inception, we believe. to the scientific lalent of Dr. Stevenn of Detroit. It is en-ily prepared with or withuat milk for porridge. gruel, groddle cakes gems, rolls, pudding, de. Permo nally, we like it as well as tapioon, It goes much further than a like quantity of outmeal, uulike which, it dues not irritate a weak stomach.

## DUN'T GIGGLE.

We hipe there won't be any giggling in church, when they ree us take our place in the pew next Sunday, with the right ride of our face phaved and the left unehaved. Let us explain: We havé made a contract with Fienchy fir an ad at $250 \mathrm{c} \cdot \mathrm{a}$ - weeli to be taken out in thaving. This comes to Iwo shaves and a half. So on Monday we get a full clean ahave, on Wednenday ditto, on Saturday only half a shave, the right side one cheek, the left the next.

The Planet Mditor writen a long leading editorial in a very pious strain, urauking up the salvation Army. What a hypocrite affer lending himself to give the utmont promineuce 10 a menn and malicious libel against us, But we nuppose the Army ordered 500 dodgers.
