

MASON'S RELIABLE SEEDS

I wish to call the attention of seed buyers to the following points:

The growth of the seed is tested in my greenhouses, so as to be sure of their vitality.

I send, post paid, all seeds sold in packets or by the ounce to any part of Canada, so that those living away in the North-West or British Columbia, can have garden seeds delivered to their homes just as cheap as any one living in this city.

Those seeds quoted by the pound or quart, may be sent per mail by adding four cents extra for every pound ordered.

When less than an ounce is ordered a packet will be sent.

When goods are sent by express, something will be added to help bear expense.

Positively no seeds are sent out on commission from this House.

Any one ordering one dollar's worth, or more, packet seed from this list, may order 25 cents worth extra for every dollar sent.

Prepay and register all letters containing money; if convenient procure, when remitting, a Post Office Order, which only costs a trifle, and which I will allow to sender, and in this case it is not necessary to register. Direct all communications to

FRANCIS MASON, Seedsman and Florist, Peterborough, Ont.
