I have experienced a wonderful result in using Ripans Tabules. I was seriously affected with indigestion and heartburn. A friend suggested trying Ripans, and I was surprised at the improvement. On making application a few years ago for policy of insurance I was refused on account of a weak heart, but the same company passed me recently, and I give Ripans Tabules credit for the health I am enjoying. I can certainly recommend them to any one suffering with palpitation of the heart or indigestion.

The Five-Cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year.
