**PLYMOUTH - ROCK**

**HEADQUARTERS.**

I believe it is generally admitted by the poultry fanciers throughout Ontario that my P. Rocks have never been left in a show pen yet and I think the following list will fully prove what I state. At the great Toronto show held Dec., 1885, I. K. Felch, judge, I took first on Cock, score 92 1/2; third on Hen, score 94; and special for best pair P. Rocks on exhibition, in competition with 125 birds. At Owen Sound P. & P. Stock Show held Jan. 1886, L. G. Jarvis, judge, I took first on Cock, score 93 1/2; Hen, 3rd, 92 1/2; first on cockerel, 97 1/2 (who can beat that), and special and Diploma for highest scoring bird on exhibition and first prize on breeding pen (my Cock in B. pen is the well-known Pilgrim strain). At the Ontario Poultry show held at Guelph, 1886, Jarvis, judge, took 1st on Cock, 94 1/2; Cockerel 96 1/2, and special for best P. Rock on exhibition.

I think that with such a record I am safe in saying that my birds are second to none in this country, if not on this continent. I challenge any Plymouth Rock breeder in Ontario to equal what I have done this winter at the three named shows.

I have mated Canadian Champion with as fine a lot of pullets and hens as are to be found on this continent. Eggs for sale now at \$3.00 per setting, or \$5.00 for two settings, put up in baskets and guaranteed to carry any distance. Write for wants.

P.S.—My Cock is the well-known True Blue strain.
