

To meet the wants of advertisers who are continually using this column, and who find it a great trouble to be constantly remitting small amounts, we have adopted the plan of issuing Coupons (as above) good for 30 words each, 4 for \$1. Any one buying these Coupons can use them at any time in lieu of money when sending in an advertisement. Not less than four Coupons sold.

THESE RULES must be followed:

1. Payment **MUST** be made in advance, the amounts are too small to permit of bookkeeping.

2. Write copy for ad on a separate sheet from any other matter, and on one side of the paper only.

3. See that ad. is fully prepaid as per rate above.

4. Say plainly how many times ad is to be inserted.

5. Give heading under which it is to appear.

Unless above rules are followed we cannot guarantee correctness.

Advertisements of 27 words, including address, received for the above objects, at 25 cents for each and every insertion, and 1 cent for each additional word. Payment strictly in advance. No advertisement will be inserted unless fully prepaid.
