It Made 29/52 Mother Strong

"My mother has been using PAIN'S CELESTIC COMPOUND for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves."

G. H. BURNS,
Orbisouta, Pa.

"I am in my 61th year. Have been afflicted for several years—could not sleep, had no appetite, no courage, low spirits. I commenced using Paine's Celery Compound and felt relief from the third day after using it. I now have a good appetite and can sleep well. My spirits and courage are almost like those of a young man."

S. C. KINKAID, D. D., Gonzales, La.

Paine's Celery Compound

Strengthens and builds up the old, and cures their infirmities. Rheumatism, indigestion and nervousness yield quickly to the curative power of Paine's Celery Compound.

A Perfect Tonic and Invigorator, It GIVES NEW LIFE.

"I am now 69 years old and have tried several remedies, but none had any effect until I used Paine's Celery Compound. I feel entirely different for the short time I have used it. I can walk nearly straight, sleep sound and well, and feel as though there was new life and energy coming into my whole system."

H. MYLERS, Cleveland, Tenn.

Paine's Celery Compound is of unequalled value to women. It strengthens the nerves, regulates the kidneys, and has wonderful power in curing the painful disease with which women so often silently suffer.

34/52 CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 503 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

All Effects of Tobacco relieved by its use.

IN HABITUALLY SMOKING, Campbell's Cathartic Compound is used with great success.

RHUBARB PIE.—Make a good plain crust. Do not stew the rhubarb, but cut it into small pieces. Fill the plate heaping full, sweeten with brown or maple sugar, put no spice or flavor in it, but cover close with crust and bake in a moderate oven. Be sure and have the bottom crust well baked.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites.
For Children and Pulmonary Troubles.

Dr. W. S. Hoy, Point Pleasant, W. Va., says: "I have made a thorough test of Scott's Emulsion in Pulmonary Trouble and General Debility, and have been astonished at the good results; for children with Rickets or Marasmus it is unequalled." Put up in 50c. and \$1 size.

"Best cure for colds, cough, consumption is the old, Vegetable Pulmonary Balsam. Cures Bronchitis. For \$1 a large bottle sent prepaid."

THE most delightful Handkerchief Odor is "Lotus of the Nile."

PERRY DAVIS' PAIN-KILLER as a Diarrhoea and Dysentery remedy seldom ever fails.

CLEANING HAIR-BRUSHES.—Take a cup of corn-meal and fill the brush, rubbing gently with the hand. As it absorbs the grease and dirt, shake it out, and use fresh meal till the brush is thoroughly cleaned. This is better than ammonia, as there is no water to injure or loosen the back of the brush.

There was a cook in our town, And she was wondrous wise, She bought Imperial Baking Powder, And caused her bread to rise; And, when she saw how nice it was, Declared with might and main That Imperial was the only B. P. She would ever use again.

MUTTON-STEAK FRIED.—Make a batter of grated bread-crumbs, milk and one egg; put it into a shallow dish; have some mutton steaks cut from the loin, with bone cut short. Have ready in a frying-pan hot butter or dripping. Dip each steak twice in the batter, then fry them brown and send to table very hot.

BENJ. W. PATTON, of Globe Village, Mass., says: "Having sold Wistar's Balsam of Wild Cherry for many years, and used it in my family with the most satisfactory results, I can with confidence say that in my estimation it is the best remedy in the market for coughs, colds and throat and lung diseases."

BREAD PUDDING.—One pint bread crumbs, one quart milk, one cup sugar, yolks of four eggs, grated rind of one lemon, a little ground cinnamon or nutmeg, piece of butter size of an egg; bake like custard; when done, spread with jelly; beat whites to a stiff froth, adding one cup of sugar and juice of one lemon. Brown lightly in oven.

SPANISH CREAM.—One quart milk, four eggs, one-half box gelatine. Pour half the milk on gelatin; and let it stand an hour, add the rest of the milk, and boil all together. Separate the eggs, adding twelve tablespoons sugar to the beaten yolks and four to the whites. When the milk and gelatine have boiled add the yolks. When the cream is thick and smooth, flavour with vanilla, take off the fire and as it gets cool add the whites.

CREAM BEEF TEA.—One of the nicest and most nutritious dishes for the sick that I know of, is prepared as follows: To one ounce of well-made beef-tee add an equal volume of barley water; then heat, but do not boil the mixture. Add the whole to a half ounce of cream or the yolk of one egg, stirred well. Heat for a minute and serve at once.

LAUNDRY POLISH.—Dissolve on a slow fire one ounce of white wax and two ounces of spermaceti with one large tablespoonful of salt. Turn into a wet cup to cool. Make boiled starch as usual, cooking slowly for twenty minutes, and for every tablespoonful of dry starch used put in a lump of the preparation the size of a cherry. Use no cold starch, and do not sprinkle. When the starched pieces are dried, lay them in a wet towel for two hours, and with a rough polishing-iron bring out the gloss.—Good Housekeeping.
