The Fall of the Christians: An Historical Romance of Japan in the 17th Century. By Prof. W. C. Kitchin, Ph. D.

"The Fall of the Christians" is a history of the desperate struggle of Christianity against Paganism in Japan over two hundred and fifty years ago, as related in ancient manuscripts discovered by the author. There were then several thousands of Christians in Japan, and the attempt to exterminate them led to one of the most sanguinary struggles recorded in history. The heroism of the Christians, both men and women, and their fortitude under the most appalling dangers, as portrayed by Professor Kitchin, will enlist the sympathies of the civilized world.

Herbert Ward, Stanley's Companion. Herbert Ward, the companion of Stanley in his explorations in Africa, is one of the few men connected with Stanley's African explorations who has ever returned alive from the "Dark Continent." Mr. Ward's articles running through eight numbers of the "Ledger" are of the most intensely interesting description, and cover five years of his adventures in Africa, and they will be illustrated by sketches made by Mr. Ward, and by the reproduction of photographs taken by him in Africa. These pictures will throw much light upon the manners and customs of the hitherto unknown cannibal tribes of Africa.

Life in British America, By Rev. E. R. Young. Being the adventures and experiences of Rev. E. R. Young, the celebrated missionary, and his wife during their residence in the Polar region twelve hundred miles north of St. Paul, in which Dr. Young narrates how he tamed and taught the native wild Indians of the Northwest; how he equipped himself for and how he made his perilous sledging and hazardous canoe trips when visiting all the Indian settlements within five hundred miles of his home.

Nihilism in Russia, By Leo Hartmann, Nihilist. Leo Hartmann, a fugitive from Russian authorities, has been connected with the most daring feats of the Russian Nihilists. Mr. Hartmann shows how the intelligent people of Russia are becoming Nihilists in consequence of the despotism of the form of government. A participant in plots to kill the Czar, such as the blowing up of the Winter Palace, he is able to give true information as to how this and other great schemes were accomplished. The situation in Russia is sufficient to increase the love of every true American for our form of government.

Into Mischief and Out, By Elizabeth Stuart Phelps. This is a story of college life. It describes, in a graphic manner, the troubles which overtake bright students who get into mischief, and their skillful manoeuvres to evade the consequences of their conduct.
