

DO YOU KNOW

- THAT SOUVENIR RANGES** with Aerated Ovens are Modern, Hygienic, Everlasting and Cheap, more so than any other cooking stove on earth?
- THAT SOUVENIR RANGES** are the only stoves containing Aerated Ovens?
- THAT** Aerated Ovens keep the food wholesome and palatable?
- THAT** half the cooks lose their jobs on account of faulty ovens?
- THAT** the best housewife on earth will shorten her life and yours, too, if you will persist in using old methods in the preparation of meals?

YOU DO KNOW

THAT cuisine, health, life—all will be better with a **SOUVENIR RANGE** in the culinary department of your home. We can guarantee that, because experience has taught us how to get perfection in stoves—stoves that as yet have never failed us. They are durable, strong, heat and trim.
