An Act Concerning the Elective Franchise.

[Passed the 31st day of March, 1854.]

BE IT ENACTED by the Governor, Council, and Assembly, as follows:

1. The Act passed in the fourth year of her Majesty's reign, entitled "an act to extend the elective franchise," is hereby repealed.

2. All natural born and naturalized subjects of the crown of Great Britain, having been and being domiciled as hereinafter limited, and being in the age of twenty-one years, shall be entitled to vote for members to serve in general assembly, that is to say, provided they shall at the time of voting have had their usual place of abode for at least one year next before voting in the counties for which they shall vote for county members, and in the townships for which they shall vote for township members, and provided also that such naturalized subjects, as aforesaid, and such natural born subjects as were not born in Nova Scotia, shall, in addition, have resided in the province for at least five years next before voting; and provided also that persons voting under this act shall only be entitled to vote in the electoral districts in which they reside at the time of voting, and which districts shall be in the counties and townships respectively for representing which the candidates are to be elected at that election.

3. No person who shall have received aid as a pauper under any poor law in this province, or as a poor person from any public grant of government money, within one year before the day of polling, nor any Indian, shall be entitled to vote under this act.

4. At every election, the name of each person offering to vote by virtue of residence, shall be entered by the poll clerk in the poll book, and if objection be made in relation to his right to vote at that election by any person entitled to vote at the same poll, the presiding officer shall tender to him the following preliminary oath: "You, A. B. do swear that you will fully and truly answer all such questions as shall be put to you touching your place of residence and qualification as an elector. So help you God." The presiding officer shall then proceed to propose to the person challenged, the following questions, or such of them as shall be required by the person objecting:

- First. What is your name? Second. What is your age? Third. In what county do you reside? Fourth. In what township do you reside? Fifth. How long have you resided in this province? Sixth. How long have you resided in this county (or "township," if voting for a township)? Seventh. Do you reside in this polling district? Eighth. How long have you resided in this polling district? Ninth. Are you a native born subject of her Majesty? Tenth. (If not a natural born subject.)—Have you been naturalized? Eleventh. (If a naturalized subject) When and where were you naturalized?

The presiding officer shall allow no other questions to be put, nor shall any questions be put except through him, nor shall he permit the time to be unnecessarily protracted on pretence of questioning a vote, and the presiding officer shall promptly put the questions, and the poll clerk shall instantly enter in the poll book the purport of the answers, and the same being read to the voter shall be conclusive against him. If the elector shall not promptly answer the questions, his name shall be expunged, and he shall not be allowed to poll at that election.

5. The presiding officer shall point out to the elector, the qualification, if any, in respect to which he shall appear to the presiding officer to be deficient, and if the person so offering shall persist in his claim to vote, and the objection shall not be withdrawn a candidate against whom the vote is given, or his agent or inspector, may then direct the vote to be marked "objected" on the poll book without requiring the elector to be sworn, or he may mark the vote "objected," and require the oath number one to be taken by native born Nova Scotians, the oath number two by naturalized subjects or natural born subjects born elsewhere than in Nova Scotia, and the oath number three and four by both classes of voters, and if any of the oaths prescribed by this act be declined, the voters' name shall be immediately struck out, and that person shall not be permitted again to poll at that election.

6. If any person being so questioned shall persist in voting notwithstanding his answers have clearly shown that he was not entitled to vote under the residence qualification, and shall take the final oath as aforesaid, the vote of such person shall be subject to the provisions of the thirty-sixth section of the seventh chapter of the revised statutes, in the same manner as therein is prescribed in the cases of the votes of persons having voted in a wrong district, or more than once.

7. No person shall lose any part of his residence by being on board ship, or in any seminary of learning, or otherwise temporarily absent for any period less than one year.

8. Nothing in this act shall extend to limit or otherwise affect the franchise founded upon freehold as by law established, but persons not entitled to vote under the residence qualification, if possessed of the real property qualification described in chapter five of the revised statutes, may vote in the same manner, and subject to the same sanctions and formalities as by law are or hereafter may be required for electors under the real property qualification.

9. So much of chapter seven of the revised statutes as is not inconsistent with this act shall remain in force.
