Our "**ALL-SKOTCH**" **CLOGS** are made in our own factory on a Scotch last which is a specialty of our own, and which prevents the skinning of the toes—a fault common to other makes. The leather used in the "**All-Skotch**" Clogs is of selected cowhide. The soles are of Scotch wood, 1 inch thick. The whole Clog is lined throughout with felt $\frac{1}{4}$ -inch thickness, and is thoroughly waterproof.
