

ONTARIO LADIES' COLLEGE

And Ontario Conservatory of Music and Art, Whitby, Canada, Stands For Efficient and Cultured Young Womanhood

The new \$30,000 Gymnasium, with swimming pool, etc., together with a large and attractive campus, affords facilities for Scientific Physical Education unequalled in any Ladies' School in this country. The strength of the staff may be judged from the fact that Seven University Graduates, all Specialists in their subjects, give instruction in the Literary Department. All the other Departments are equally well provided for. Send for new illustrated Calendar to

With Department for Typewriting and Criticism

An editor told me the other day that he had to buy certain articles and stories in the United States because he could not get them in Canada, yet you cannot sell your MSS. Perhaps you do not know what is wanted; but more probably your MSS. need criticism and revision to make them acceptable. The purpose of this agency is not only to sell and to obtain literary material, but also to help and advise untrained writers.
