

NEWS AND NOTES.

The great library of Paris and of the world—the Bibliothéque Nationale—is subsidized this year by the French government with \$235,000, and a large sum has been set aside for cataloguing and binding.

"Their Occupation Gone." R. V. Pierce, M. D., Buffalo, N. Y.: I was attacked with congestion of the lungs, soreness over the liver, severe pain in the joints, a burning fever, and general giving a way of the whole system. Failing to find relief in remedies prescribed, I tried your "Golden Medical Discovery." It effected my entire cure. Your medicines have only to be used to be appreciated. If every family would give them a trial, nine-tenths of the doctors would, like Othello, find their occupation gone. Yours truly, L. B. McMILLAN, M. D., Breeseport, N. Y.

A recent Archaeological meeting in Rome, an antique lately found there and of special interest, was exhibited. It was full half of a round marble shield, inscribed Theodorus, sculptor of Athens. Shield of Achilles, according to Homer.

There is no remedy in the world so valuable to use in the case of sudden accident or illness as Johnson's Anodyne Liniment. It can be used internally, and its power is truly marvellous.

An Ancient Druidical Altar has been discovered in Kingston, England. Its sacrificial form, and the sacredness with which it was regarded by the Britons, had led the Saxons to use it as a crowning stone.

"Could Hardly Stand on Her Feet." R. T. Pierce's, M. D., Buffalo, N. Y.: Dear Sir—I must tell you what your medicine has done for me. Before taking your "Favourite Prescription" I could hardly stand on my feet, but, by following your advice, I am perfectly cured. The "Favorite Prescription" is a wonderful medicine for debilitated and nervous females. I cannot express how thankful I am to you for your advice. Yours truly, Mrs. CORNELIA ALLISON, Peosta, Ia.

Mr. W. P. Clark, of Milton, Wis., has a most remarkable skull which he took out from a mound near Lake Koshkonong. It resembles the pictures sometimes seen of Darwin's ape-man, very closely; protruding eyebrows, retreating forehead, thick sutures—everything about it animal-like.

Startling Debility. both Nervous and General. Lack of Self-confidence and Will Power, Impaired Memory, Despondency, Weak Back, and kindred affections, are common results of youthful follies and pernicious practices, pursued in solitude. Means of unflinching and perfect cure are suggested in large illustrated treatise, sent for three letter postage stamps. Address World's Dispensary Medical Association, Buffalo, N. Y.

The Sanscrit MSS., in the palace of Tanjore, set down in the catalogue drawn up by the late Dr. Burnell, number 12,376. This collection is probably without a rival, as the Bouleian and the Berlin libraries contain each about 1,500, the Deccan college only 3,660, and the Indian office about 3,000.

Corns! Corns! Tender corns, painful corns, soft corns, bleeding corns, hard corns, corns of all kinds and of all sizes, are alike removed in a few days by the use of PUTNAM'S PAINLESS CORN EXTRACTOR. Never fails to cure, never causes pain, never leaves deep spots that are more annoying than the original discomfort. Give Putnam's Painless Corn Extractor a trial. Beware of substitutes. Sold by druggists everywhere. N. C. POLSON & CO., Kingston, Proprietors.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Putnam, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficiency. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your Emulsion has rendered me good service, being pleasant to the taste and no feeling of nausea following its administration. It seldom fails giving good results, and I prefer it to any other preparation of the kind. I am, yours respectfully, J. F. BRINE, M. D.

A bronze age find has been made in Northay, in England. A barrow disclosed, when excavated a bronze dagger, a quantity of pottery, bones and ashes in one of the pots and a quantity of bone earth. Some of the bones had been burned and put in a pot, but those of slaves and hostages had been collected and burned, but not potted.

PHYSICIAN'S STATEMENT RESPECTING PUTNER'S SYRUP. Made by W. B. SLAYTER, M. D., L. R. C. P. Eng., &c., Consulting Surgeon, P. & C. Hospital and Prof. Obstetric and Diseases of Women, Halifax Medical College. HALIFAX, March 1883.

I have used C. E. Putner's Syrup of Hypophosphites and find it well made and very palatable and admirably adapted to do good in cases in which the Hypophosphites are called for, &c. W. B. SLAYTER, M.D., L.R.C.P. Eng. &c.

Dr. C. Rigby, Surgeon Halifax Dispensary says:—"I have been employing your SYRUP PUTNER'S in my practice ever since you first introduced it to the profession and have never found reason to be dissatisfied with the results obtained. Yours, &c, C. D. RIGBY, M. D. To C. E. Putner, Ph. M."

Baldness may be avoided by the use of Hall's Hair Renewer, which prevents the falling out of the hair, and stimulates it to renewed growth and luxuriance. It also restores faded or gray hair to its original dark color, and radically cures every disease of the scalp.

A writer says; "I would not be without Eagar's Wine of Kennet in the house for double its price. I can make a delicious dessert for my husband, which he enjoys after dinner and which I believe has at the same time cured his dyspepsia."

Convincing Proof.—The attention of readers is respectfully called to the advertisement of the Putner Emulsion Co., appearing in the columns of this paper. Convincing proof is there given of the unbounded popularity of their valuable proprietary medicine which cannot be grinside.

Beware of Imitations.—The original and genuine "Quinine Wine and Iron" was originated and prepared solely by Hannington Brothers, Chemists, St. John, N. B., under the name of "Hannington's Quinine Wine and Iron," and can be purchased of all druggists and general dealers throughout the Dominion of Canada. To guard against imposition see that Hannington's name is on the outside wrapper, and that the "Hannington's Brothers" on each bottle, none other is genuine. For sale by all druggists and general dealers in Canada.

Ayer's Sarsaparilla has such concentrated curative power, that it is by far the best, cheapest, and surest blood-purifier known. Testimonial from Capt. Joshua Harper. Sackville, N. B., Feb. 13, 1877. J. H. Robinson, Esq., St. John, N. B.

Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to scarcely be able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home. I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung disease. Yours very truly, JOSEPH HARPER. (Signed) JOSEPH HARPER. Of the barque "Mary Louison."

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-phosphate of Lime is prepared only by Hannington Bros., St. John N. B., and is for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

EAGAR'S PHOSPHOLEINE is the best Emulsion yet made," is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent of our merchants, mechanical and laboring classes that it is used.

There is nothing so dear as cheap medicine; it is dear at any price. This is true of the large packs of condition powders now sold. Buy Sheridan's Cavalry Condition Powders and you can't make a mistake. The large packs are utterly worthless.

"I had sick head ache for 40 years, your pills cured me." Lucy A. Warren, Deerfield, N.Y.

BRIGHT'S DISEASE CONQUERED. ENTERPRISE, April 13. Gentlemen:—Five years ago I fell with a bag of grain, which caused weakness in my back, and also brought on an attack of Bright's disease, and which caused me to loose considerable in weight. After wearing your Pad for six weeks, I gained 13 lbs., all pain and weakness has left. I would have been yet in the doctors hands, had it not been for my using your Kidney Pad.

W. FENWICK, Miller. THE ONLY PERMANENT CURE. TAMWORTH, April 13. Gentlemen:—I was troubled with painful back, and could not retain my urinal secretion, from painful inflammation of the bladder. I have been treated by a dozen physicians to no purpose, but have worn your Special Pad six weeks. The pain, swelling and inflammation is gone, and I am well. Your Pad is the only cure for Kidney diseases.

J. A. FRASER, Manf. of Wooden Wares. ALL PRAISE THEM HIGHLY. TAMWORTH, April 13. Gentlemen:—An accident 12 years ago wrenched my back. I could hardly walk, and never lifted anything.
