THE GREAT REMEDY FOR CONSUMPTION which can be cured by a timely resort to this stand- ard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowl- edged by many prominent physicians to be the most reliable preparation ever in- troduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it sel- dom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Sore- ness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

APPROPRIATION STOCK—Subscribed Capital \$3,000,000. PERMANENT STOCK—\$100,000—Open for Subscription. Shares \$100 00 payable ten per cent quarterly. Dividends of nine or ten per cent can be expected by Permanent Shareholders; the demand for money at high rates equivalent by compound interest to 14 or 16 per cent, has been so great that up to this the Society has been unable to supply all applicants, and that the Directors, in order to procure more funds, have deemed it profitable to establish the fol- lowing rates in the SAVINGS DEPARTMENT:

For sums under \$500 00 lent at short notice ..... 6 per cent For sums over \$500 00 lent on short notice ..... 5 " " For sums over \$25 00 up to \$5,000 00 lent for fixed periods of over three months ..... 7 " "

As the Society lends only on Real Estate of the very best description, it offers the best of security to Investors at short or long dates.

In the Appropriation-Department, Books are now selling at \$10 premium.

In the Permanent Department Shares are now at par; the dividends, judging from the business done up to date, shall send the Stock up to a premium, thus giving to Investors more profit than if they in- vested in Bank Stock.

Ayer's Sarsaparilla Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a con- stantly growing rep- utation, based on its intrinsic virtues, and sustained by its re- markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor- ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful anti- dote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive dis- orders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipe- las, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ul- cerations of the Uterus, Stomach, and Liver. It also cures other com- plaints, to which it would not seem espe- cially adapted, such as Dropsy, Dyspep- sia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifesta- tions of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless lan- guor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what- ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and rec- tory, are on a scale equal to any in the country. With greater facilities than heretofore, the Chris- tian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal, yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denom- inations are admitted.

The Academic Year commences on the first Mon- day in September, and ends in the beginning of July.
