

and the air with blasphemy, either have been or now are the pupils of these same common schools. How can better fruits be expected from a system which in the words of the gentleman, who has lately written so powerfully in your columns on this subject, "neglects the moral and controlling powers of human nature, and concentrates all its force upon the development of the intellectual?" Space will not permit me at present to touch upon the statistics of the Governor of the jail, or on some few instances of the ungodly hollowness of the school system, that have come to my knowledge. On a future occasion I purpose dwelling on these topics, also touching briefly on the position of the Romanists on this question.

Tenders are out for plans and designs for a substantial church at Yorkville, a thriving town on the northern outskirts of the city. This is very gratifying. Methodism has hitherto thrown the Church into the shade in this town. The former had a beautiful brick edifice, quite churchlike in its appearance—having a graceful spire surmounted by a cross, while the latter, though wealthy and influential, had only a wretched wooden structure, that many of the former attendants would have looked on contemptuously as a barn. In a few months, however, I trust the Churchman visiting this parish need not be ashamed of his Church.

IMPORTANT FOR THE LADIES.—The Paris correspondent of the Court Circular says that the Empress is beginning to wear large bonnets and less crinoline than formerly.

ANOTHER LETTER FROM TEXAS.

TRAVIS, CO. TEXAS, Aug. 15, 1854. Messrs. Fleming Brothers—Dear Sirs:—There were several cases of Chills and Fever in my mother's family at the time we received the McLane's Liver Pills ordered in my letter of June 12th, and a few doses administered in each case produced the desired effect, thus demonstrating the efficiency of these celebrated Pills in that disease.

WANTED IMMEDIATELY. FOR THE ACADEMY in the MUNICIPALITY of St. COLUMBA of SILLERY, a competent ENGLISH TEACHER. Application, if by letter, post-paid, to be made to the undersigned, JOS. CANTILLON, Secretary Treasurer. Quebec, Sillery, Feb. 19th, 1857.

Will be ready on the first of March, (NEW AND REVISED EDITION.) THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert. The Life, translated by Mary Hackett, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; cloth gilt, 7s 6d.

The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected.

Of the merits of the work, we can safely say that no biography ever issued from the American Press equals it—its as interesting as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our time, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage."—Brownson's Review.

"The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of 'the dear St. Elizabeth,' (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'"—American Cell.

"We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers."—Pittsburg Catholic.

AYER'S Cathartic Pills, (SUGAR COATED), ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK.

Headache, Sick Headache, Poul Stomach, Bilious Disorders and Liver Complaints. I have been repeatedly cured of the most headache any body can have by a dose or two of your Pills. It seems to arise from a fault in the circulation of the blood. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. BRIDLE, Clerk of Steamer Division.

Indigestion and Impurity of the Blood. From the Rev. J. F. Hines, Pastor of Advent Church, Boston. Your Pills have cured me of indigestion and impurity of the blood. I have been doing you more good than I can tell you. I should have been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. She afterwards cured her two other children of bloody dysentery. One of our neighbors had it last, and my wife cured him with two doses of your Pills, while only ten days from the first of the disease. I have taken your Pills, and lost much time without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Esq., Montreal.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Person suffering from Erysipelas, Montreal, 4th. J. 1856. DR. AYER'S Pills are the purgation of all that is gross in the system. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been consulting with several physicians, and applying ointments, but to no avail. After her child was cured, she also tried your Pills, and they have cured her.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hines, of the Methodist Episcopal Church, New York. I should be ungrateful for the relief your skill has brought me, if I did not report you with the same satisfaction in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy. For Costiveness or Constipation, and as a Diaper Pill, they are invaluable and efficient. Fits, Suppression, Paralysis, Inflammation, and other Disorders, and Partial Blindness, have been cured by the alterative action of these Pills.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INFANT CONSUMPTION.

and for the relief of consumptive patients in advanced stages of the disease. We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, for are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the most fatal and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasant and safe remedy that can be employed by the infant and young person. Parents should have it in store against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe that the Cherry Pectoral saves more lives by the consumption of it, than those it cures. Keep it by you, and cure your child while they are curable, nor neglect them until no human skill can master the insupportable cough that fastens on the vital organs of your life.

All know the dreadful facility of lung disorders, and as they know the virtues of this remedy, they will not neglect to have it on hand, as it will not only protect them from the disease, but also afford them the best relief when they are seized with it.
