Dear Sir Arthur-

On behalf of my Session and Congregation and of all our 70 men who served under you during the War I wish to cordially invite you to be present to unveil a Bronze Tablet in memory of our Fallen.

I know how many demands there are on your services, and how generously you have met them. I beg to suggest that this one further will give you great satisfaction. During the War my people did yeoman service and ~~name~~ of our men were killed. This Tablet..by Mappin & Webb.. is a fitting tribute to their memories and your presence would make it all the more worthy. We shall count it an honour to extend all possible hospitality during the trip and your short stay here. You may set your own time..by leaving Montreal by the C.N.R. (Intercolonial) in the evening you reach here the next day at 2.30 p.m. If you leave Saturday, any Saturday, you would reach here in ample time for the Sunday evening service and could return to reach Montreal Tuesday morning about 9. We have a large church and I can assure you that it would be taxed to its capacity to hear your message about the Dead and for the Living.. 900 or 1000 people would easily be accommodated. Ours is one of the oldest and most historic churches in the East..founded in 1805. We have several McGill men here..though I happen to be of Queen's & Chicago,.. who would welcome your visit more than I can say.

Kindly set any date, between now and Easter, if possible.

Very Cordially:

*E. B. Wyllie*
