The Right Honourable,
Lord Atholstan, LL.D.,
241 St. James St. West,
Montreal. P. Q.

My dear Lord Atholstan,

Thank you so much for your letter of the 6th October. I am very sorry I had to trouble you. We have nothing but the warmest feelings for the STAR and an appreciation that they are always most friendly to the University. I am sure the "colouring" I complained of was because one of the younger people did not appreciate the situation; it probably escaped the attention of the Managing Editor.

With kindest personal regards,
I am, my dear Lord Atholstan,

Ever yours faithfully,

Principal.
