

the County By-laws, and are of opinion that the suggestions made by him should be carried into effect.

Your Committee have examined the By-laws, and find them in a very unsatisfactory condition, some having expired through lapse of time, some repealed or amended, and others rendered inoperative by acts of Parliament.

Your Committee would therefore recommend that a Committee of three be appointed to meet at some time before the next regular session of the Council, and make a thorough revision of said By-laws, and submit a full report of their work at the January Session with a view to publication in pamphlet form of the By-laws of this County.

All of which is respectfully submitted.

G. C. FIELD, Chairman.
