THE T. EATON CO LIMITED

POLICE TO GET HIGHER WAGES

Commissioners to Grant Substantial Increase, Not Yet Specified.

The board of police commissioners yesterday afternoon decided to grant a substantial increase of pay to all members of the department. A deputation from the force asked for an increase of \$500 a year. The commissioners did not say what they would give, but the men will likely get increases of \$300 when the 1920 estimates are forwarded to the board of control. Chief Grasset stated that the citizens would have to prepare themselves to pay a great deal extra next year for police protection. If the department is to be increased to 1,000 men good wages would have to be paid. Now that the war is over, continued the chief, and demobilization has been completed, there does not seem to be any great rush of men to join the permanent army and inducement will have to be offered to secure the best available men for the police force, which is the second line of defence.

Three hundred dollars will be spent to purchase steel lockers to store stolen goods in the detective office. At

present the cupboards available are too small to contain the amount of articles waiting to be identified.

Obnoxious Taxi Stand. A deputation from the King Street Association asked the board to remove the taxi stand from York street. They claimed that whiskey was being dispensed on the stand and that the noise of the motor cars prevented hotel guests from sleeping. The commissioners have no jurisdiction in the matter and referred the deputation to the city council.

The tender for the supplying of Colt revolvers for plainclothesmen was given to a local sporting goods firm.

On the recommendation of Col. Grasset the tariff rates for single teams were raised from 65c to 75c an hour.

The board of control approved of a yearly license being granted for a motor bus service on upper Yonge street.

The inland revenue department forwarded to the commissioners rewards amounting to \$150 for information supplied them that led to the seizure of two liquor stills. The money will be handed over to the benefit fund.

LIBERTY LEAGUE PLAN CONVENTION

Will Take Up Tobacco Plebiscite, Lord Day's Alliance and Vaccination.

At a special meeting of the Citizens' Liberty League last night it was decided to hold a big convention in Toronto during the second week in December, when delegates from all over

the province will be invited to attend. Among the matters which will be discussed the Lord's Day Alliance will receive special attention. The plebiscite on tobacco is another subject which will be discussed, and also vaccination.

Nine delegates with Chas. Townsend as convener were appointed to attend the meetings of the newly-formed Citizens' Educational Reform Association.

It was decided to write License Commissioner Flavell, asking him to forward a written order to the C. L. L. regarding his intentions in the shipment of liquor test case. The C. L. L. will also request an order-in-council for the recount of the recent referendum ballots.

Treasury Department Will Maintain Control of Movies

"The moving picture business will remain under the jurisdiction of the treasury department," said Hon. Peter Smith, provincial treasurer, yesterday.

A deputation representing the movie interests waited upon the minister on Tuesday, requesting that control over them be not changed. They also asked to be represented both on the censorship and appeal boards and for a downward revision of taxation, but on these points the provincial treasurer said no decision had been arrived at.

FILM COMPANY SUES. The Regal Films, Limited, are suing the Regent Theatre Company of Sudbury, before Judge Denton in the county court for unstated damages for alleged breach of contract to run plaintiff's films in their theatre for one year. Defendants plead that the contract was several times broken by failure to supply the films and later that it was rescinded by an agreement.

CATHOLICS HOLD MEMORIAL MASS

Rev. M. Cline Addresses Congregation at St. Michael's Cathedral.

"We have assembled, not for the sake of parade or self-advertisement, but on the grounds of gratitude and duty towards the honored dead," said Rev. M. Cline, rector of Holy Name Church, addressing the large congregation at the solemn mass for deceased soldiers, celebrated at St. Michael's Cathedral yesterday.

"We should be open to the charge of ingratitude were we not to render one last full measure of honor and love to those who played such a conspicuous part in the great drama of the world war. The thousands of Catholic young men from university, college, office, factory and farm who fell fighting in the cause of the allies established the right to be remembered by the country under whose colors they made the supreme sacrifice. Not only their kinsfolk, but the country, will proudly cherish the noble heritage of their heroism and sacrifice."

"It matters not that the aims for which they poured out their life's blood are yet out of reach and the cause of democracy for which they died is still in jeopardy, they gave themselves as

HOSTAGES FOR THE FREEDOM OF THE WORLD

went forth as crusaders in the cause of democracy." Father Cline exhorted his audience to remember the souls of the dead heroes who sleep beneath the soil of Europe. "You have loved them in life, do not forget them in death."

The celebrant of the mass was his grace Archbishop McNell, assisted by Capt. Rev. William Kelly, deacon; Capt. Rev. Bernard Doyle, sub-deacon; Rev. Father Trayling, deacon of honor; Capt. Rev. M. Staley, master of ceremonies. An augmented choir sang the Gregorian musical portion of the ceremony under the leadership of J. Leikuser. The altar and sacred edifices were draped in sombre wrappings.

C.N.R. PRESIDENT ELATED. The employees of the Canadian National Railways have gone over the top in their Victory Loan drive for five million dollars. The actual total subscribed and reported to the head office of the C.N.R. here is \$5,076,300. But apart from the bonds taken up by the workers on the publicly-operated lines, outside subscriptions totaling \$1,990,800 in value have been reported thru C.N.R. auspices. This brings the actual amount subscribed by employees or secured by them to \$7,067,100. Average amount per subscriber \$181.80.

President Hanna and Vice-President A. J. Mitchell, who have followed the drive closely day by day are highly elated at the successful outcome of the operation. "I said we'll do it," laughingly declared Mr. Hanna today, "in posters all over the National Lines. It was our first real organized effort, but we secured our objective. We—and by that I mean the whole army of National workers who keep the wheels turning—have put in our five million."

There are some people who desire things so eagerly and in such determined fashion that, for fear of missing them, they omit nothing they ought to do in order to spoil their chance.—La. Brazier.

NO WAVE OF CRIME

Chief of Police Optimistic Concerning Conditions This Winter—Plenty of Work.

Chief of Police Grasset does not believe the wave of crime prevalent in the city can be attributed to unemployment or the high cost of living. He stated yesterday afternoon that there is plenty of work for everybody, and all classes of labor were well paid and seemed to have plenty of money.

Asked as to whether he expected conditions would be serious this winter, the chief replied he did not, considering there was such a demand for all classes of labor.

The Toronto Street Railway have agreed to issue special badges to plainclothesmen and detectives entitling them to ride on the cars. For some months plainclothesmen have had to pay car fares out of their own pockets. Thru the efforts of Deputy Chief Dickson and the mayor the badges have been granted. An effort will be made to have the badges distributed to the men today.

Owing to the increased amount of house and shopbreaking that has been going on for some weeks, the department has increased the plainclothes ranks in a number of divisions. In eight of the eleven stations six plainclothesmen are working on night shifts to try and catch burglars.

During 1917 there were exported from Canada leather and leather goods to the value of \$7,408,721. A little more than half of these goods went to Great Britain.

MURINE Rests, Refreshes, Soothes, Heals—Keep your Eyes Strong and Healthy. If they Tingle, Smart, Itch, or Burn, if Sore, Irritated, Inflamed or Granulated, use Murine often. Safe for Infant or Adult. At all Druggists in Canada. Write for Free Eye Book. Murine Company, Chicago, U. S. A.

STOLE EMPLOYER'S WATCHES: Godfrey Brown, who pleaded guilty to stealing watches and watch cases worth \$2,000 from P. W. Ellis and Company, his employers, was sentenced to 18 months at the jail farm by Judge Costworth in the sessions yesterday. Brown was detected by the customs authorities when shipping the cases to a refinery at Chicago.
