How to Regain It Without Cost Until

Strength of hody-strength of mind! Who would not possess it if they could? It is nature's greatest gift-our most valuable possession. Without this valuable possession. Without this strength life is a failure, with it everything is possible. Almost every man was made strong, but few have been taught how to preserve this strength. Many, through ignorance, have wasted it recklessly or used it up excessively, leaving the body exhausted, the nerves shaky, the eyes duli and the mind slow to act. There are thousands of these weak, puny, broken-down men dragging on from day to day who might be as strong and vigorous as ever they were if they would only turn to the right, source. Electricity cures these weaknesses. It gives you back the very element you have lost it puts new life into the veins and renews the vigor of youth.
