A Mississippi Steamer Sunk. New Orleans, La., July 23.—The teamboat Paul Tulane, one of the finsteamboat Paul Tulane, one of the fin-est of the Mississippi boats, was sunk last evening at Cora Piantation, 75 miles from here. She was heavily load-ed and both boat and cargo are a com-plete loss. Passengers and crew were plete loss. Passengers and cre landed without loss or injury.

This Sounds Like Anarchy. Cleveland, O., July 23.—The Central Labor Union met last night to discuss the Brown strike. After radical speeches had been made it was decided by a manifement was to beyond the control of the control Sherwood Hodgins, son of Frank E. speeches had been made it was decided by a unanimous vote to boycott any firm in Cleveland which furnishes em-ployment to members of the State militia.

A sudden Death.

Brain-rd, Minn., July 23.—John Pride was hanged this morning at 12.25 for the murder of Andrew Peterson.

exciamation she maintained her nerve wonderfully. We talked a good deal. When Miss Thompson said that we would never see land again I could say nothing. I thought it better to bring the two of us huddled up through the into the bow of the boat, where the two of us huddled up through the inight. Miss Thompson did her best to help me to bail out with my hands, but I insisted on her keeping still. You see, before last night I thought I knew all about managing a boat. I knew all about managing a boat. I knew that swimming would be of no use when the capsize came. We agreed that we should both cling to the boat as long as possible. I remember that it had become daylight when we were talking about this. The American shore was visible about ten miles away. Then we heard the booming sound that we thought was caused by the cannon. We looked around as far as we could see, and there was the coal barge, which we thought was a man of war by the noise the rolling coal made. I tell you we were glad to see those grimy sailors come up in their local.

(Continued from Page One.)

A party from Auburn, N.Y., went up see those grimy saliors come up in their boat. It was not until Miss Thompson was on board that she weakened at all, and even then she did not faint." The Army and Navy Veterans pic-nicked at Cobourg yesterday.

teresting. The lady secures a divorce from her husband in Buffalo, and wheels back to Canada under her maiden name.

The next day the scene changes. What tale of the sea surpasses in horror the story that came over the interests of the party demander from Halifax? The Herbert Fuller went to sea with ten people on board. Early one morning the only passenger is wakened by the dute of unprecedented extravative was precedent to weak and the popular price \$1.75, are guilar price \$1.75, are was precedented extravative was guilar price \$1.75, and the whole park rang with cheers.

GOOD ROADS COMING.

Delighted With the Manner in Which the People are Working. The good roads movement is certainbooming in Ontario. Government

Road Instructor Campbell, who was seen at the Rossin last night, was in good spirits over the outlook.

He has just been up in Orangeville, where, as a result of a meeting audressed by him there a few weeks ago, Shortly after 8.30 o'clock Harbor Master Paldwin, with his powerful sea glasses, discovered a small boat about four miles off Mimico Point being rapidly driven out into the lake. The strong northeast wind had at this time developed into a terrific gale, and the occupants of the boat, a man and a woman, seemed unable to cope with the wind, and make their way to the shore. As darkness settled over the shore. As darkness settled over the lake the boat, with its apparently exhausted occupants, was seen at insections of the province.

But while the centres of population are daing well along this line, the rural and the road to Allandale. Insection of the province.

But while the centres of population are daing well along this line, the rural gersoll is fixing up Thames-street and similar work is being done in many towns of the province. But while the centres of population are doing well along this line, the rural

districts are keeping up their end also. The farmers of Ekfrid Township, in Middlesex County, for instance, have subscribed \$25 apiece, in addition to their statute labor liabilities, to an Other townships are purchasing road

tles beside the fences.

Mr. Campbell is anxious to see broad tires introduced on coal carts, drays, trucks, delivery wagons and other heavy vehicles employed on our city streets. He thinks it a shame that the thoroughfares should be cut up by narrow tires bearing heavy loads, and favors a law remedying the evil by compelling owners of such wagons and carts to place eight-inch rims on

A City for Tourists. If Toronto were judged from her ho-tels these days, she would be considered a very cosmopolitan city, for from day to day her chief hostelries are crowded with tourists from every part of the known world. Whatever be the of the known world. Whatever be the attraction, Toronto is largely visited by foreigners, and in one day people from every section of the British Empire, and from various other portions of the earth, may be seen gathered at our inns. Taking yesterday for instance, among those who stopped over here were residents of England, Ireland, Scotland, France, Germany, every State in the American Union. South State in the American Union, South America, Africa, India, China and
