Rufus Ryan, the Ottawa Rugby player, will play no Rugby in the Interprovincial this year, so decided the board of governors at a meeting held at the King Edward last night. It was a somewhat lengthy session, and judging from reports, somewhat stormy, but the board of governors could not overlook Ryan's offence in playing in a professional hockey league, after being once pardoned for the same thing. The case of Ernie Hamilton, the Montreal lacrosse player, was only mentioned, but not discussed. R. S. Steele occupied the chair, while Hal McGivern represented Ottawa; G. Herbert Brown, Montreal, and T. P. Galt, Argonauts.

The peace meeting between the Interprovincial and O.R.F.U. saw many arguments on the subject of amalgamation and otherwise brought up, it being finally left to the O.R.F.U. to draw up their terms of agreement and submit them to the Interprovincial, who will discuss them and then meet delegates from the O.R.F.U.

The O.R.F.U. representatives were not in favor of the four clubs in the Big Four being always confined to the senior series, and wanted it amended so the winners of the intermediate series could play the low team in the Big Four. In other words, it was a case where T.A.A.C. were after admission to the senor series. This point brought about considerable discussion, and where Joe Wright of the Argonauts and Doc Woods of the T.A.A.C. had their little say, both being willing to play a test game to decide which was the better team to represent Toronto in the Big Four. However, nothing definite was arranged, other than the drafting of terms by the O.R.F.U.

SAN FRANCISCO, Oct. 1.—Sam Berger, who has been looking after the interests of James J. Jeffries in the negotiations with lack Johnson for a battle in the United States, received today the following cablegram from Jeffries, dated Paris:

"Leave for America Oct. 16. Meet me in New York."

Berger will leave for New York within a week. Berger said Jeffries was anxious to meet Johnson and his manager at New York to make arrangements at once to sign articles. He wants a fight as soon as it can be arranged, and, as to the place, he prefers Galveston, Texas.

Despatch to the effect that Jeffries would leave for home Oct. 18 was wrong, as the date fixed in the cable is final.
