BUILD NEW SCHOOL AT COST OF \$60,000

Board of Education to Locate One on Victoria Ave.—Temperance Folk Active—Annexation, Etc.

HAMILTON, Oct. 14.—(Special.)—The temperance people of ward 4 organized this evening the municipal election. They expect to elect several controllers and aldermen to secure reduction of liquor licenses. Addresses were given by their candidates for the board of control. Alderman Cooper, Lees and Peregrine, and by Mr. H. Goring, E. Bowen and W. H. Yates. The following officers were elected: Wm. Brown, president; Thos. Wilkinson, vice-president; Albert Sharpe, treasurer, and the following executive committee, Robt. Harper, Zion Wesleyan Church; Harry Felton, German Lutheran Church; Harry Felton, German Evangelical.

Annexation Amenities. The annexation committee, made up of representatives of the city and of Barton Township, held another hearing this evening. After hearing what the various interests had to say, they retired and sat behind closed doors. W. M. McClelland, J. H. Hornby, J. M. Eastwood, J. J. Scott, K. C. Major Mewburn and others spoke for special concessions for the district south of Main-street. Mayor McLaren was rather sarcastic at their expense, and asked what reason they had for advancing for granting other people to pay their taxes. He said the terms of last annexation were ruinous to the city, and had resulted in the building up of a lot of houses on which the city got only a little over an eighth of a mill rate. Mr. Scott said Hamilton, on account of its pecuniary drain, was not growing, while last year Toronto had landed twenty American concerns, and Welland had also made great progress.

John Patterson this afternoon applied to the industrial committee for an extension of time for the Hamilton, Waterloo and Guelph Railway. He intimated that he would be able to finance it if he got the extension. Will Build New School. The board of education this evening decided to build a new school on Victoria-avenue, and the city council will be asked to authorize the issue of \$60,000 debentures. The building committee was instructed to let the contracts and to appropriate the necessary land. The beach children who attend the public schools will be taxed \$1 a month, said Chairman VanAllen of the

beach commission requested that action be deferred until he was able to attend to present a case. Trustee Books introduced a motion to provide for the establishment of a superannuation fund for teachers, but withdrew it when advised that the board could do nothing until the teachers made a move. Efforts will be made to get the government to make provision for the education of straggle children. The building committee was authorized to let the contracts for the new Victoria-avenue school to the lowest tenderers, provided they were satisfactory. There was some question as to whether the lowest tenderer for the masonry, the Open Construction Company, will get the contract, because it is an outside firm, and its price is \$27 lower than the next lowest. The building committee was given a free hand in the matter.

Prizes Presented. Before the trustees got down to business, the prizes won in the sports competition were presented as follows: Challenge shield to A. E. Manning, principal of the Strathcona school; gold medal, Jas. Harrison; individual champion silver medal, Carroll Farmer; bronze medals, Henry Hill, E. Smith and James Ewing; medals for girls, May McIntosh, Clara Feast and Mable Salisbury.

The relatives of David Hutton, the missing nightwatchman, are making arrangements to drag the bay for his body. Perjury Charge Dropped. At the police court, Richard Roach, charged with perjury in connection with the making out of an affidavit that his wife was 18 years of age, was allowed to go on his recognizance. His wife says that she told him that she was 18. Fred Scott was acquitted of charge of stealing Mrs. Pendleberry's horse.

Mrs. Catharine Bolton died this morning, aged 110. She had been an inmate of Don Aged Women's Home for 22 years, her husband having predeceased her half a century ago. Until a short time ago she could talk intelligently of the events that had marked her long life. One son, William, Wood-street, survives.

In connection with the turning back of the ten Armenian laborers found for the G. T. P., it is claimed that there is an organized gang that bleeds foreigners by charging them a stiff fee for getting them into the country and securing employment for them. The police have secured a good description of the ringleader of the gang. Capt. William Irving Dead. Captain William J. Irving, 88 South Wellington-street, acting mate on the freight steamer, died suddenly this morning. He was taken ill on the trip between Montreal and Hamilton, and had to be removed to his home last night. Until recently he had sailed as mate with his father, Captain John Irving of the Strathcona.

YORK COUNTY West Toronto North Toronto East Toronto

N. TORONTO BUSINESS MEN WANT BELT LINE

Say New Road Will Be a Boon to Town—West and East Toronto News—County Notes.

NORTH TORONTO, Oct. 14.—(Special.)—The proposed advent of the Belt Line Railway, as outlined in The World yesterday, has aroused the greatest interest in town, and the business men and citizens are delighted with the prospect.

WEST TORONTO, Oct. 14.—At the Salvation Army Citadel on Keele-st. the wedding took place to-night of John Wright, sergeant-major of the S. A. Juvenile Corps, to ex-Captain Gertrude Butterworth, whose home is on Campbell-avenue. Brigadier Potter officiated. The bridesmaid was Captain Nellie Bonthron and the groom was supported by Charles Hughes. Mr. and Mrs. Wright, who are both popular members of the army in West Toronto, left to-night for a honeymoon trip to Hamilton, Niagara, Falls and Buffalo. They will reside in ward 7.

WEST TORONTO, Oct. 14.—At the funeral of the late Joseph Rose which took place to-night at the Intermediate Grades' Conference, speaking with reference to "Intermediate Boys and Girls." The choir of Victoria Presbyterian Church are holding their annual concert, under the direction of Mr. Donald C. Macgregor on Oct. 21. The funeral of the late Joseph Rose will be held on Friday afternoon to Humberville Cemetery.

EAST TORONTO, Oct. 14.—What might have resulted in a serious accident occurred this morning between 11 o'clock and 11:30. A light touring car, No. 4288, was coming down the Kings-road, when the driver, who was the only one in the auto, noticed a light butler cart coming up the road. The horse appeared nervous and he slowed down. The driver of the cart alighted to lead his horse past, when without any warning the man in the auto started the car and crashing into the cart, smashed the axle.

YORK TOWNSHIP NOTES. Scarboro Fair had more than 16,000 visitors, the greatest in the history of the society. Independent Telephone Co. subscribers will be glad to know that the Markham Telephone Co. have installed a phone in the Markham J.T.R. station. Nearly 300 subscribers will be benefited by this action. Markham Oddfellows' Band, just newly organized, has already secured 24 players. Look out for good music in the near future.

MARKHAM VILLAGE. Coroners' Jury Say John Watson's Death Was Due to Natural Causes. MARKHAM VILLAGE, Oct. 14.—(Special.)—At a late hour yesterday the dead body of John Watson, an employe of Markham Mills, was found in St. Andrew's Cemetery, lying across one of the graves. The body was at once removed to his boarding place and a doctor summoned, who stated that the man had been dead some hours. An autopsy was held, disclos-

BARRE'S WIFE REFUSED HIS OFFER TO FORGIVE

Retorted That Life With Him Thereafter Would Be Only a Shiam and a Pretence.

NEW YORK, Oct. 14.—The World's London cable says: James Matthew Barrie, novelist and playwright, has been granted a divorce on the ground that his wife misconducted herself with Gilbert Cannan, Mrs. Barrie, who before marriage was Mary Ansell, actress, did not defend the suit, the hearing of which occupied scarcely 15 minutes.

Barrie's testimony in a low, clear voice, which never faltered, although he had to tell that the woman he loved declared to him that another man is the only one in the world for her. In the evidence Mr. Barrie said that he and Miss Ansell were married in Scotland July 9, 1904, and although they had no children, lived happily until they met Gilbert Cannan, 18 months ago.

Don't Neglect SKIN DISEASE!

A WONDERFUL HEALER THAT DESTROYS DISEASE GERMS.

The worst forms of eczema, scap disease, and blood-poisoning often begin as simple sores. Maybe the warning signal is a rough angry patch on the arm or thigh, or a pimply sore on the head. Don't neglect the first stages!

A sore finger-end or chapped knuckle has over and over again paved the way for serious disease. In the same way cuts and bruises frequently lead to blood-poisoning, festering, and obstinate sores. The reason is clear.

In the air around us and on our bodies are myriads of tiny microbes, many of them "the advance guard" of infectious and contagious disease. So long as the skin is whole, the delicate tissues beneath are safe. Immediately the skin becomes unhealthy, or broken by a cut or small sore, these germs swoop down, contaminate the flesh, and provoke inflammatory disease.

Torture day and night, obstinate resistance of all ordinary methods of treatment, and a tendency of the sores to spread are amongst the penalties for neglecting skin-disease. Eczema or blood-poisoning, once having gained a foothold, are each most difficult to get rid of. They bring to their victims nights of burning torture; or may even cost the amputation of a limb.

There is only one safe course. If a little Zam-Buk is applied promptly to the affected part, immediate attack is made upon these dangerous germs. Zam-Buk is famous for

its antiseptic strength, its purity, and its unique herbal character. By the influence of this rare balm (which is entirely different from mere ointments), the dangerous germs are killed and ejected from the tissues along with the other bad matter drawn out. The flesh is thus soothed by Zam-Buk, and completely purified.

When the tissues have been made perfectly sound, a new protective layer of healthy skin is made to grow. The worst wound and most obstinate sore will be found to yield to regular dressings of Zam-Buk. For this reason Zam-Buk is now often prescribed by doctors and used by nurses.

Zam-Buk contains none of the rancid animal fats or mineral poisons found in many of the cheap, antiquated ointments. On the contrary, Zam-Buk is a skilful combination of certain rare and valuable herbal juices—the outcome of patient experiment in most up-to-date laboratories and is truly the last word of science on the treatment of injuries and skin-diseases.

Mothers will find it an ideal balm for the delicate skins of young children; and in using it have the assurance that they are applying Nature's own healing essences. Zam-Buk is on a plane of its own. Nothing else is "just as good." Nothing at all approaches it. Ask for Zam-Buk and accept nothing else.

WHAT ZAM-BUK CURES. Zam-Buk is a sure and certain cure for piles, ringworm, festering sores, ulcers, bad leg, blood-poisoning, eczema, cuts, burns, sprains, bruises, scalds, sore heads, chapped hands, cold sores, chilblains, cold cracks, scaly sores, discolored ankles, and all other skin diseases and injuries. Rubbed well into the parts affected it cures neuralgia, rheumatism, and sciatica. All druggists and stores sell at 50 c. box, three for \$1.25, and post free from Zam-Buk Co., Toronto, for prices.
