An Unbreakable Set of Teeth

There is a class of patients who do not object to paying a fair price for artificial teeth, if they can really secure comfort, usefulness and naturalness.

I have a set of teeth, such as is unobtainable in any other office in this city, to my knowledge. It is out of the ordinary line and unlike the teeth in general use. Its beauty is at once apparent, and it is practically unbreakable.

It will pay those who are desirous of obtaining the best to be had in the dental line, to call and inspect this for themselves.

I will gladly demonstrate its superiority over other plates, even if you have no immediate intention of investing.

Norwegian bark Westland, Captain Hannevig, arrived today from Santa Cruz, Tenerife, in ballast. She will load dry lumber for South America by Steison, Cutler Co.

The new chapel in St. Peter's church will be formally opened tomorrow evening at 8 o'clock when a sacred concert will be given, with the young men's orchestra, the men's choir and choir, and the organist of the church assisting.

The Annapolis, N. S., schooner Katherine J. Miller arrived in port this morning from Barbados with 227 packages molasses, consigned to G. E. Barbour Company. The schooner had fine passage, making the trip in 13 days.

Among the passengers arriving today for the C. P. R. liner Empress of Britain, sailing tomorrow, is little 12-year-old Victor Antie, who is going to England to school. The little chap, who is traveling alone, has made the run from far away Vancouver, his home. He is the son of Rev. John Antie, a missionary, who visited this city quite recently. The youthful traveler is the guest of Rev. E. A. Armstrong, rector of Trinity church.

A very pleasant time was spent on Wednesday evening at the residence of Mrs. W. Hartin, Union street, W. E., when about 40 friends called to bid Mrs. W. Hartin good bye as she leaves on the Empress of Britain for a trip to her old home in England. Mr. Christopher on behalf of all the guests presented Mrs. Hartin with a handsome gold watch chain and belt pin, after which supper was served. Mrs. Hartin will be accompanied by Mrs. Bastin, also of England.

WATER IS OVER PUBLIC WHARF

River at Indiantown is Rising Fast, but No Dangerous Freshet is Expected

The steamer Victoria left on her first trip of the season this morning starting for Fredericton at 8:30 o'clock. The Sincennes left at 10 o'clock.

The Champlain made her debut for the season at 12 o'clock. All three steamers had good freights and a few passengers.

The Elaine is expected from Fredericton during this afternoon.

The river at Indiantown is rising quite fast, being over the public wharf this morning.

The Hampton is expected to start on the Kennebec route at any time now, possibly during today or tomorrow. The Majesty was expected to leave her dock on her up-river trip at 3 o'clock this afternoon.

THE FISH MARKET

The large amount of ice and driftwood that has been coming into the harbor from the river in the past few days has interested greatly with the harbor fishing. Weirs have been destroyed and the catches have been very small. For a few days last week big catches of gaspereaux were made but this week very few have been taken owing to the adverse conditions. The first harbor salmon of the season was caught on Monday. It is a little early yet to expect salmon in any quantity though an occasional one will no doubt be landed. Harbor shad will be on the market, it is expected, in about two weeks. At the present time some Delaware shad are offered at 40 to 50 cents each. Gaspereaux are selling retail at 20 cents a dozen; halibut, 15 cents a pound; haddock and cod, 5 cents and cod stock at 10 cents a pound. Lobsters are small and are selling at 10 and 12 cents, while the usual variety of smoked fish is offered.

OH! WHAT A SURPRISE

The Times wishes to tender its hearty congratulations and its sincere sympathy to Alderman Baxter. Congratulations upon his secret marriage and sympathy with him upon the indisposition of his bride. The Sun this morning had the following paragraph in an article dealing with the Carleton Cornet Band's tribute to successful West Side candidate.

"It had been the intention of the band to serenade Ald. Baxter, but the Brooks ward representative was out of town and his wife was indisposed, so the idea had to be abandoned."

WILL CELEBRATE ST. GEORGE'S DAY

Englishmen the World Over Will Celebrate the Anniversary of Their Patron Saint Tomorrow — Something About St. George's Society

"Tis a glorious charter, deny it who can, 'That's breathed in the words—I'm an Englishman."

Tomorrow, April 23, will be celebrated the world over wherever there are Englishmen, as the anniversary of England's patron saint, St. George. Here in St. John, St. George's Society will celebrate the occasion with a reception and dance in Keith's assembly room, in the evening, and during the day the flag of St. George—a red cross on a white field—will be flown from various buildings about the city.

"Ring English bells, your festal peal, 'Bring roses, red and white, 'Upborn in many a fight; 'This is our England's month of months, 'This is her day of days, 'Unspread the banner of St. George, 'Red Cross and White upraise."

The objects of St. George's Society are to foster a spirit of patriotism and nationality, to promote social intercourse among its members and to extend aid to Englishmen and Welshmen or their descendants, or their widows and orphans.

The above clause is from the constitution of the society, but the objects comprise a broader field and are really identical with those of The Royal Society of St. George, London, of which H. R. H., the Prince of Wales is president, viz:—

To encourage and strengthen the spirit of patriotism amongst all of English birth or descent, irrespective of creed or party, and to maintain that spirit of fraternal union and sentiment of race, which should animate all of kindred blood, helping to preserve those distinctive characteristics, traditions and culture which have contributed to make the English pre-eminent the world over.

To maintain the recognition and celebration of St. George's Day—the old English Festival Day of St. George—and the anniversary of the birth and death of Shakespeare—April 23rd.

To further British interests by every possible means and to render assistance in conduct of all English and patriotic movements.

The St. George's Society of St. John has always endeavored to live up to these objects, and aim point with pride to many acts and celebrations in commemoration of notable events, such as the placing of the bust of her late Majesty Queen Victoria (of glorious memory) in Trinity church in Jubilee year 1887; their participation in the diamond jubilee of 1897; subscriptions and donations to funds for men of the St. John contingent during the war in South Africa, and the celebration of the Trades' centennial in 1905.

But in keeping alive patriotism and celebrating such events for the honor of old England, the society does not forget its duty of charity—a special charity fund is maintained, a special charity commission is annually elected, and a great number of cases of unfortunate Englishmen are considered and alleviated by grants of money and help in obtaining employment. This is a most important work of the society. Some idea of the results may be formed from the fact that during the first ten months of this year, 1909, no less than 64 men of English birth or descent have been assisted with financial help or aid in obtaining employment.

The society now numbers over 140 members and the membership grows year by year.

The celebration in the assembly rooms this year is expected to be one of the most successful ever held.

A large number of tickets have been disposed of and no doubt there will be a big attendance. A programme of dances will be arranged, including a "merry dance," and the 62nd Band will furnish music. The rooms will be appropriately decorated with the colors of the society.

"Tis a rich rough gem, deny it who can, 'The heart of a true born Englishman."

POLICE COURT

Five Prisoners Faced the Magistrate This Morning—All Were Dealt With

Five prisoners faced the police magistrate this morning in the police court and were quickly disposed of. Harry Hampton who was arrested by Policemen A. H. Ross and McNamee on Charlotte street about 10 o'clock last night is charged with being drunk and using profane language. He is also said to have insulted a woman, near the market building. He was remanded until this afternoon.

Michael Daley who was arrested by Sergeant Campbell between 6 and 7 o'clock this morning on the charge of indecent conduct, was likewise sent to the cells until this afternoon.

Carl Schultz who was begging money from passengers on the C. P. R. train in this city, was arrested by Policemen Smith and this morning the magistrate gave him the option of paying \$20 into the city coffers or of spending two months as a guest in the King street east institution. As the money stringency seems to have affected him Schultz will doubtless choose the latter.

Arthur Howe, drunk on Prince William street and Andrew White, drunk on Water street were asked to pay \$8, or spend months and twenty days in jail respectively.

James Mathewson, drunk on Sheffield street and John Callahan, drunk on Union street, forfeited \$8 deposits.

One common drunk was fined \$4.

WEDDINGS

Goodner-Manuel

On Wednesday evening, at 8 o'clock, in the presence of a large number of friends, William Goodner, of this city, was united in marriage to Miss Eva Manuel, of this city. The bride was assisted by Miss Marguerite Quirk, and the groom was supported by B. Baisley. A wedding supper was served after the ceremony.
