

Trinity Medical College.

The Matriculation Examination of either of the Universities with which this Medical College is affiliated MAY BE PASSED AT ANY TIME BEFORE GRADUATION. But this is only required by those who have not previously matriculated otherwise, and who do not intend to practise in Ontario. Details as to these matriculation examinations are given in this announcement, under the proper headings.

Such students as have not otherwise matriculated, and who desire to take the Fellowship Diploma of Trinity Medical College, or to graduate in Trinity University, or Queen's University, or Victoria University, will be required to pass an examination on the following subjects:

(1) Writing and Dictation, (2) English Language, including Grammar and Composition, (3) Arithmetic, (4) Algebra, including simple Equations, (5) Euclid, Bks. I., II., (6) Latin, Caesar, *Bellum Gallicum*, Bks. I., II., or Bks. V., VI., or *Bellum Britannicum*, or Cicero, *de Lege Manilia*, or *Cato Major*; or Virgil, *Æneid*, Bk. II., (7) and *any one* of the following optional subjects, *which may be selected by the Candidate* (a) Scripture History; and St. Matthew's Gospel, ch. i.-ix incl., in Greek (b) Greek, Xenophon's *Anabasis*, Bk. I., (c) French, Voltaire's *Charles XII.*, Bks. VI.-VIII., (d) German, Schiller's *Thirty Years' War*, Bk. I., (e) Natural Philosophy, including Mechanics, Hydrostatics and Pneumatics. (Balfour Stewart's *Physics* is recommended.)

Where more than one TEXT BOOK is named on any subject, as in Latin, the candidate may select the one upon which he may prefer to be examined.

THIS EXAMINATION, which is the same as that required by the Medical Council in Great Britain and Ireland, WILL BE HELD in Trinity Medical College ON THE SECOND FRIDAY AND SATURDAY IN MARCH, AND THE SECOND FRIDAY AND SATURDAY IN OCTOBER OF EACH YEAR. Applications may be made to the Dean of the Faculty of Trinity Medical College, till the evening of the day before the Examination.

All students going up for examination in Great Britain before the several Royal Colleges there, are required to present a certificate of having passed an examination in Elementary Mechanics. On this account, an examination on this subject will be held at the Medical College in November, of each year, at the same time as the Supplementary first year's Examination, when any students who intend going to Europe, whose matriculation examination may not have embraced it, may present themselves, without any additional fee being charged.
