

TELLS OF WORK IN LEPER COLONY

The annual meeting of the United Women's Missionary Society, held yesterday afternoon, was full of inspiration, and was attended by one of the largest gatherings in the history of the society. Miss Flora Clark, formerly of Moncton, who has spent nineteen years as Baptist missionary in India and who, for the last seven years of that period, has been working with the lepers in Vidyanagar in Madras presidency, was the speaker of the afternoon. She told in an impressive manner of the joy of ministering to the hopeless and sorrowful lepers. Mrs. James P. Robertson, the retiring president, was in the chair and the meeting was held in St. John's (Stone) church school room which was barely large enough to accommodate all the members present. Mrs. David Willet was elected as president for the coming year. The offertory taken, after payment of all expenses, amounted to \$24.29 and it is to be given to the free kindergarten association.

The meeting opened with devotions, led by Mrs. Robertson and Mrs. W. H. Dunham.

Mrs. George F. Smith spoke of the society's appreciation of Miss Clark's address and Mrs. W. Davidson, of Rothesay, also thanked the speaker for her impressive words. Mrs. C. F. Sanford led in prayer and Mrs. Bell sang a solo.

The election of members resulted as follows: president, Mrs. David Willet; first vice, Mrs. James P. Robertson; second vice, Mrs. David Hutchinson; secretary, Mrs. J. R. VanWart; assistant secretary, Miss Annie Sammel; members of executive, Anglican, Mrs. George F. Smith, Mrs. H. H. Pickett; Methodist, Mrs. J. Heaney, Mrs. Neil MacLaughlin; Presbyterian, Mrs. J. C. Armstrong, Miss Homer; Christian, Mrs. E. J. M. Appleman, Mrs. J. S. Flagg; Congregational, Mrs. C. H. Flewelling; Baptist, Mrs. George Henderson and Mrs. George J. Coggins.

NEW CANADIAN WARSHIP COMING HERE IN SUMMER

The secretary of the Canadian Club has received a reply to an invitation extended to the commander of the new Canadian warship, H.M.C.S. Aurora. According to Captain Adams' reply, the ship probably will visit St. John during the coming summer. The letter is as follows:

"Dear Sir, in reply to your letter of the third instant I should be obliged if you would present my compliments to the Canadian Club of St. John and express my thanks for the invitation. As H.M.C.S. Aurora under my command proceeds to Bermuda on the 7th instant I regret I will be unable to accept. We hope to pay your city a visit during the summer when, perhaps, I may have the pleasure of the acquaintance of your club."

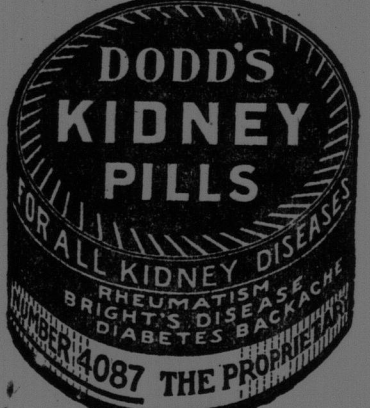

"Believe me, yours faithfully,
"H. G. H. ADAMS."

CONTRIBUTIONS BY ROTHESAY CHAPTER

The Duke of Rothesay chapter of the Imperial Order of the Daughters of the Empire held its regular meeting at the home of the regent, Mrs. W. S. Allison, in Rothesay yesterday. Routine business in connection with the chapter meeting to be held next month occupied the greater part of the meeting. Reports of the recent Christmas bazaar sale and sale of holly were very satisfactory and, from the funds of the chapter, several votes of money were made. To the G. W. V. A. Christmas treat the sum of \$25 dollars was voted and towards the salary of a kindergarten teacher in the East St. John hospital, \$5 per month. The chapter also voted to send the sum of \$100 to the Victorian Order and to pay a monthly subscription towards the salary of a Victorian Order nurse.

Miss Sarah M. Barnett, supervisor of the household economics department of vocational training in New Brunswick, whose appointment has been confirmed, is at present in St. John in connection with the opening of the vocational classes. In her short term of office she has already visited fifteen of the nineteen towns and cities where vocational training has been established this year and she has found throughout the province a keen interest in the work, which is extending very rapidly. Woodstock has yet the honor of being the only place where day and night classes have been held. All other places have established night classes only. Bathurst, Miss Barnett believes, can claim the honors in the interest of its equipment for vocational classes.

RIGA WATER
RELIEVES
HABITUAL CONSTIPATION

TORPID LIVER FOR OVER 4 MONTHS

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

When the liver becomes lazy, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.

Milburn's Laxa-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.

Mrs. Alice McNell, Napanee, Ont., writes: "I was very badly run down and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials and I am a different person today. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble." Milburn's Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct or receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
