THE "LONDON HOUSE" TO CELEBRATE ITS 31ST ANNIVERSARY AND THE PRESENT OWNERS, F. W. DANIEL & CO., THEIR 31ST ANNIVERSARY IN BUSINESS BY A BIG PROFIT-SHARING EVENT.
We are going to share profits with all our customers at this, our 31st anniversary celebration. It's to be a big thing, and just at the most reasonable time. By way of introduction to our new annex just opened and at the same time marking our 31st anniversary, we purpose holding a seven day "Anniversary Celebration" commencing on Saturday next, the 17th inst., and ending promptly on Saturday, the 24th. We owe our remarkable success of the past year to the people of St. John and wish to show our appreciation of the fact by a real sharing of profits for seven business days on every article in our magnificent stock. This is not an ordinary price-cutting affair on a few special lines, but an all-round "something-on-every-purchase" for the seven days, and that on goods you need for spring wear. The first special advertisement giving further details will appear in tomorrow's evening papers. Daniel, Head of King street, London House.

During the intermission a film of the memorial day turnout of the Pythians, taken in this city some years ago, was shown for the benefit of the visitors. Following this the various past chancellors made short addresses. A hearty vote of thanks was given to the supreme chancellor. The meeting broke up with the singing of the National Anthem. COLORS OF 104TH CROSSED RHINE, NOW IN HAMPTON

The handsome regimental colors of the 104th Battalion which are the only New Brunswick colors to cross the Rhine and into Germany, were taken to Hampton yesterday on the noon train by Captain P. M. Brooks, who were met there by Major Brooks, all original 104th officers.

The colors were deposited with Captain Lawrence in St. Paul's church, he being the chaplain of the 104th Battalion.

The colors were presented to the 104th Battalion by the ladies of Sussex and they are undoubtedly proud to feel that their colors have the honor of being the only colors from this province to have had the experience of crossing the Rhine.

Captain Rising took the flag from St. Paul's Cathedral, London, with an escort to the 26th Battalion in Belgium before crossing the Rhine, on which journey Lieutenant Bedell, the adjutant of the 26th, was taken ill with influenza and died at Taminnes, Belgium.

Mr. Married Man---Do This

Write out instructions for your wife to follow with reference to earning an income for the support of herself and your children after your death.

After you have found out how "easy" it is to write out these instructions, figure out how "easy" it is going to be for your widow to carry them out.

The task we think will convince you that you must maintain as much life assurance as you can possibly afford in order that your family shall not be dependent upon the charity of others, if you should die. Don't put it off. Don't say that you expect your business to be in such shape that your family will have nothing to worry about. Think of all the men who do not own \$500 in real money today who were worth thousands of dollars two years ago.

If you haven't all the life insurance you should have write for our booklet entitled "The Creation of an Estate." It will interest you.

Final Checks for Widely Scattered Heirs to Howland Estate.

New Bedford, Mass., April 14—Checks in final settlement of the million-dollar trust estate of Sylvia Ann Howland are being prepared for distribution to the 439 beneficiaries, who are scattered all over the world.

The accounting of the trustees, which shows that it cost \$73,055 to settle the estate, now grown to \$1,159,158, was accepted by the probate court, which ordered final distribution. For their services the trustees receive \$36,000, and the genealogist who hunted up the heirs, \$15,000.

Mrs. Hetty Green, for many years known as the wealthiest woman in America, enjoyed the income from the estate during her lifetime; the money having been left in her trust by Miss Howland, her aunt.
