DAMAGES IN WOODSTOCK CASE ARE DETERMINED

(Special to Times.)
Woodstock, N. B., May 5.—In the circuit court on Monday and Tuesday before Judge Crockett the trial of William Moorey and his wife against Lewis Bell was finished. This was an action for personal injuries to Mrs. Moorey. It was said that the defendant in last October was driving his car on the wrong side of the road and struck a wagon in which Mrs. Moorey and her daughter were driving. Mrs. Moorey received severe injuries and some wounds on the face of a permanent disfiguring character.
The parties could not agree before the trial on the amount of compensation which the plaintiffs should receive and the principal question of the trial was to settle such amount. The jury found a verdict for Mrs. Moorey of \$500 and Mr. Moorey \$282.70 covering doctor bills, value of the horse and wagon, etc.
R. L. Simms appeared for the plaintiffs and Jones & Jones for the defendant. The court adjourned at the conclusion of this case.

TWO TO SPEND REST OF DAYS BEHIND BARS

Quebec, May 5.—Telephore Gagnon, found guilty of manslaughter in the case of Aureore Gagnon, his daughter, who died after brutal beatings from her father and ill treatment from her stepmother, the latter now under sentence of death for the crime, was this morning sentenced to life imprisonment by Mr. Justice Desy.
Romeo Remillard, found guilty of shooting and killing Lieutenant Lucien Morrissette, and also found guilty of manslaughter, also received a life imprisonment sentence.
Remillard's father, charged with murder with his son, will be tried at the next sessions of the Quebec assizes.

BUILDING PERMITS ABOVE MILLION MARK

The total value of buildings for erection of which permits were issued in Halifax during the month of April was \$488,885, making the total for 1920 so far \$1,043,848, as against \$968,735 for April 1919, with a total for the year to the end of that month of \$1,008,053.

OAK HALL'S BACK HOME SALE IN FULL SWING

Corner King and Germain Looks Like Old Times.

The Oak Hall Back Home Sale at the corner King and Germain streets, at the old stand, started off with a rush yesterday morning and it certainly looks like old times to see the familiar Oak Hall sign on the windows once more.

Oak Hall made tremendous preparations for this Back Home celebration, but judging by the crowds that were banded yesterday morning it looks very much as if they would not have sufficient merchandise to run more than a few days, in spite of their tremendous preparations.

There were large crowds at the doors when the opening time came around, and from then until closing hour every one of the numerous salesmen was kept on the jump, and many were the congratulatory remarks passed in reference to the quality of the merchandise that is being offered, and at the prices which are far below anyone's expectations.

Of course Oak Hall has been preparing for this great Back Home celebration for months now. They accumulated exceptionally large quantities of merchandise at rock-bottom prices, for cash, and have marked the selling prices at a very minimum of profit, figuring on a large volume of turnover to make it up.

Besides these special purchases, they have selected many lines of clothing and furnishings from their regular stock and have marked these at drastic reductions.

Thick I would have to stop and rest four or five times. I got the best advice procurable, and was told that all my trouble was caused by my stomach and as soon as that was put in order I should get all right. But all the treatments and medicines I tried failed to do me much good.

"Well, finally about six months ago I decided to give Tanlac a trial, and the plain fact is that today I am a well man, able to walk and forth to my work every day, and feeling as good as ever in my life. My appetite is so good that I can eat three good square meals a day, and never have a stomach ache, and the pains in my back are gone, and I sleep well at night. I haven't needed the doctor's help since I began taking Tanlac, and I prefer to take now. Yes, I'm feeling stronger and better in every way. My friends all know what a condition I was in a few days ago, and they know also what Tanlac has done in my case. I think it is a wonderful medicine and I cannot recommend it too highly."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by W. G. McKay, Beaver Harbor; by William J. Colwell, Evans; C. V. Pearson, Highland, and by the leading druggists in every town.—(Advt.)

IN WALL STREET.

New York, May 5.—(10:30)—A confident tone accompanied the opening of today's stock market session, although trading was again in relatively light volume. General Motors was the outstanding feature at an advance of eight points, and the feeling was as good as ever in my life. My appetite is so good that I can eat three good square meals a day, and never have a stomach ache, and the pains in my back are gone, and I sleep well at night. I haven't needed the doctor's help since I began taking Tanlac, and I prefer to take now. Yes, I'm feeling stronger and better in every way. My friends all know what a condition I was in a few days ago, and they know also what Tanlac has done in my case. I think it is a wonderful medicine and I cannot recommend it too highly."

Prices reacted one to five points soon after the opening, the reversal embracing General Motors and Bethlehem Steel and Standard Oil. The market was soon overcast, General Motors extending its gain to over twenty points, while Crucible, Inland Steel, American Woolen, Atlantic Gulf, United Fruit and other leaders made extreme gains of two to six points. The advance of rails was well sustained on further buying of high grade and low priced shares. Call money opened one per cent under yesterday's initial rate at seven per cent, and Liberty bonds were appreciably better.

FAVOR PERMANENT BOARD TO BUY FOR GOVERNMENT NEEDS

Ottawa, May 5. (Canadian Press).—Communications from business interests throughout the country have been received by the government favoring a bill to establish a permanent board for the purchase of governmental and other supplies. Resolutions in approval have been received, among others, from the boards of trade of Vancouver, Calgary, Moose Jaw, Medicine Hat, Saskatoon and Winnipeg, the associated boards of trade of British Columbia and the Canadian Manufacturers' Association.

The points generally taken are that establishment of such a board would mean greater economy in the purchase of supplies and give every man engaged in the business a fair chance to compete.

FEELS IT DUTY TO TELL FACTS

Dartmouth Man Declares He Suffered For Years With Indigestion and Rheumatism—Tanlac Restores Him There.

"I never thought I should ever let my name be used in connection with a medicine, but Tanlac has been of such remarkable benefit to me that I feel that in giving the facts of my case, I am only doing my duty to the public."

For nearly fifteen years I had been troubled with indigestion. Although I had a good appetite my food would always seem to disagree with me, sour on my stomach, and form gas that would cause me sharp pains in the chest, and almost cut off my breath. I felt miserable for hours after every meal, and my kidneys also were out of order and I had a dull aching pain in the small of my back, and if I stood over a while I should straighten up again.

"But of late years my chief trouble has been with rheumatism. I used to have occasional attacks of it in the arms and shoulders so bad that I couldn't use them, but during the past two years it seems to have settled in my legs and got so bad at last that I couldn't walk to business, and for a year had to have a taxi to take me in the morning and bring me home at night. Finally I bought a car to carry me back and forth to my work. I was in such a state that I couldn't have walked to work to save my life, and even if I walked a single block I would have to stop and rest four or five times. I got the best advice procurable, and was told that all my trouble was caused by my stomach and as soon as that was put in order I should get all right. But all the treatments and medicines I tried failed to do me much good."

When to Gather Roots and Herbs

For medicinal purposes, roots and herbs should be gathered when their medicinal properties are at their best. For instance, roots of annual plants should be dug just before their flowering season, and roots of biennial or perennial plants after the tops have dried. All these things are taken into consideration in gathering the roots and herbs, many tons of which are used annually in preparing the most successful of all remedies for woman's ills, Lydia E. Pinkham's Vegetable Compound.

The fourth couple to be made happy was Arthur Bourgeois and Miss Vivienne LeBlanc. All four couples belong to Moncton city.

MARGARET ANGLIN IN NEW YORK

Famous Canadian Actress to Present Historical Drama There.

New York, May 4.—In the near future Margaret Anglin plans to present in New York a spectacular historical drama by Astrid Argyl, adapted from the French of Emile Moreau.

This play was produced on April 12 at the Columbia Theatre, San Francisco, and was acclaimed by those who attended it as one of the most superb and lavish productions ever seen on the Pacific Coast, as well as the most forceful dramatic medium in Miss Anglin's long career.

Livingston Platt designed the scenery and costumes and George Foster Platt staged the play. The cast numbers fifty persons. The medieval glamor of the story is accentuated by an elaborate musical setting arranged from Tschakowsky's opera, "The Maid of Orleans."

Emile Moreau, a noted French dramatist, wrote the play originally for Sarah Bernhardt. In its present form it records poetically the last days of the glorious Maid of Orleans with all its expected pathos.

VINOL IS MOST SUCCESSFUL OF ALL TONICS

To Restore Thin, Run-Down Women and Children to Strong Vigorous Health

Physicians Recommend it and Druggists Guarantee it.

Ask any doctor if he can suggest a better tonic than the following VINOL formula:

"Cod Liver and Beef Peptones, Iron and Manganese Peptones, Iron and Ammonium Citrate, Calcium and Sodium Hypophosphites, Nux Vomica and Wild Cherry."

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people, delicate children, and to build up health after sickness, there is nothing equal to VINOL. Try it on your druggist's guarantee.

AN OVERALLS BALL.

(Halifax Echo.)

The overalls ball announced to take place on May 5 is to be given under the auspices of the Royal British Veterans' Society and is to be held in Masonic hall on Wednesday evening. The Royal British Veterans hold a reputation "Nulli Secundus" in the role of hosts, and the committee in charge of the arrangements for the ball have drawn up a programme that promises to surpass all previous efforts. Two separate three-piece orchestras have been engaged. Dancing is to commence at 8:30 o'clock and is to last until 1 o'clock. The ladies' auxiliary have charge of the catering arrangements. Ladies will confer to the "overalls" idea by wearing cotton,ingham or old dresses. The men will appear in overalls, khaki or old suits.

MARITIME HOME FOR GIRLS.

The executive of the Maritime Home for Girls, Truro, received seven tenders for the contract of construction of another brick building, and awarded the contract to the Victor Woodworks Ltd. of Amherst, the building to be finished in six months from date. The building is to accommodate twenty-two girls. The home at present has normal accommodations for forty-one girls, while there are fifty-five in residence beside the seven officials and teachers.

X-RAY FAILED

Mechanic Gives Evidence

There are cases where science in its most profound phases is absolutely balked, yet other help is at hand. This is proved by the testimony of a mechanic, 35 years of age, who suffered, at times, positive torture from stones in the bladder. After trying many remedies without result, he had an X-ray photograph taken, which also failed to show where the trouble was. Fortunately, just at this juncture, when he almost had given up hope of any relief, Gin Pills were brought to his notice. These famous Pills in a very short time enabled him to pass the stones which was the cause of his trouble. We will give the name of this man on request.

Kidney and Bladder troubles should not be neglected. The first symptoms should be sufficient warning. Pain in the sides or back, constant headaches, neuralgia and sciatic pains, rheumatism, dizziness, constipation, gravel, highly-colored urine, specks before the eyes, all point to derangement. Gin Pills should be obtained without delay. Druggists and dealers carry them—50c—your money refunded if not satisfied. Free sample on request.
