A SLUGGISH LIVER

CAUSED SEVERE HEADACHES

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

Healthy bile in sufficient quantity to thoroughly act on the bowels and carry off the waste products from the system, hence the bowels become clogged up, followed by sick and bilious headaches, coated tongue, bad breath, heartburn, water brash, bad taste in the mouth in the morning, jaundice, floating specks before the eyes, etc.

Miss Dian Clark, Myer's Cave, Ont., writes: "I take pleasure in writing you concerning the good I have received by using Milburn's Laxa-Liver Pills for a sluggish liver. When my liver got bad I would have severe headaches, but I got better after I had used a couple of vials of your pills."

Milburn's Laxa-Liver Pills gently unlock the secretion, clear away all waste and effete matter by acting directly on the liver, and make the bile pass through the bowels instead of allowing it to get into the blood.

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THRILLS IN ACT AT OPERA HOUSE

Marvelous Work of Knife-Thrower—Miss Arline Lloyd a Feature of New Programme

Did you ever go to a real old-fashioned country fair, wander down on the Midway, and try the knife board—one of those boards with rings and numbers painted on it? You have three chances of throwing a knife and if you happen to stick the knife into the lucky ring or number you get a prize. What would you think if you were handed a dozen or so big knives, sharp as razors, and asked to throw them at a human target? There is a chap at the Opera House who does this—he throws them at his wife, although he has nothing against her and they never quarrel. Still he places her up against a big board, stands off about a dozen feet and just whangs those meat cutters into the board all around her—even pins her there so she cannot stir, and everybody holds their breath until she shouts to show she is safe. He even covers her over with a large sheet of paper, blindfolds himself and with unerring aim outlines her right against the board.

A short explanation just before the exhibition tells us that he is a genuine Aztec, one of the old original races in Mexico, and although he does not look it he is said to be more than sixty-five years old. The fact that he acknowledges playing in St. John more than thirty years ago with the Pawnee Bill Wild West speaks for itself. If you want a real thrill he will furnish it.

Local interest last night centred on the appearance of Miss Arline Lloyd and her partner, Voltaire, in a musical comedy, which was classy, refined and scored a real big hit on its merits, aside from the fact that Miss Lloyd is so well known in St. John musical circles. If you like real good things in the musical line, this offering will furnish a delightful treat.

Seymour's Happy Family, eighteen cute and clever little doggies, romped and played, did a number of amazing stunts. The clown dogs put everybody in a good humor; some of the dogs sang in dog language of course, and altogether the family spoke for wonderful patience on the part of the trainers.

Harry Leyden, in Scotch songs, stories and a good dance caught the fancy of the audience in good shape and got away with a good sized hit. Fritcher and Wood, two jolly sailor chaps, danced, sang and joked away and had the audience in roars of laughter from the start.

The opening chapter of the new serial, "The Tiger's Trail," gave promise of an absorbing story of romance and adventure and leads up to a startling suspense situation at the finish that makes one really want to see the next chapter, for Ruth Roland, the heroine, is left in a very tight fix and it is going to take some ingenuity on the part of the director to extricate her.

WALTHAM

THE WORLD'S WATCH OVER TIME

Select a WALTHAM for Presentation

IT is impossible to conceive of a watch more completely dependable than a high-grade Waltham. Select it not only for its rich beauty, but also for its intrinsic merit as the best buyable device for time-measurement. The perfect mechanism of the high-grade Waltham Watch is the world's standard of accuracy. In it you have a really wonderful combination of delicacy with strength. The Waltham "Colonial A"—a model which is thin without sacrifice of accuracy—is an ideal watch for presentation to gentlemen. For ladies the selection should be the Waltham Convertible Bracelet Watch, the case of which has a disappearing eye that enables the watch to be worn in any way that changing fashion may suggest. Both are gifts certain to be prized as beautiful personal ornaments and as time-pieces that will give a life-time of reliable service.
