Rubbing Eases Pain

In his well-known Receipt Book, Dr. Chase writes: "You will allow me one remark about linimentsthey ought in all cases to be rubbed in, from twenty to thirty minutes, until the part burns from the effects, instead of two or three minutes, as is the Rubbing with Dr. Chase's Liniment improves circulation, draws the blood to the skin away from the inflamed parts, and stimulates the blood vessels

of the skin to healthful action. Used in this way Dr. Chase's Liniment affords quick relief from Pains, Aches, Rheumatism, Lumbago, Sprains and Strains.

Since it reduces inflammation and congestion it is used with good results in the treatment of sore throat and chest colds, Rub in thoroughly until a red glow

appears on the skin.

AN OBVIOUS DUTY NEGLECTED

Le Matin: "To govern is to foresee. The first duty of our Governments therefore is to protect the lives of the infants of the nation—the future of the race. This is a duty which is sadly neglected. Quebec in this respect occupies an unenviable position We must rouse ourselves and get rid of the record we hold for infantile morality."

A grand entertainment was staged last evening in the Seamen's Institute by a combined troupe composed of the Minnedosa Wafters and the Metagama Concert Party. The hall was filled almost to capacity by a large and appreciative audience and the long and varied programme was greatly enjoyed by all present. Those who took part were: from the Minnedosa, Messrs. Watkins, Luck, McGoghan, Brown, Brooks, McCarton, Carr, Dick, Connor and Stanton; from the Metagama, Messrs. Hammond, Cairns, Evans, Andrews. The accompanists during the evening were J. Cairns and H. The Feast of Purim is observed this
evening and tomorrow in Jewish communities. The feast is associated with
the deliverance of the Persian Jews
from the plot of Haman, who sought
to exterminate them and it is customary to read in the synagogue the story
of the deliverance as it is found in the
Book of Esther. The sending of portions to one another and gifts to the
poor, as prescribed in the Book of
Esther, have been crystalized into a
feature of the holiday. Gifts of food,
especially dainties, are exchanged, and
the poor are the recipients of charity.
Social gatherings are usual and the
feast is a jovial occasion.

"If you have ever had boils, you know how painful and annoying even one or two can be. But imagine having your whole body almost entirely covered with them! I am a watchmaker by trade, making a specialty of repairing the highest grade movements. This is probably the most trying of any mechanical work, particularly for a nervous individual like me. Working under great strain both day and night for three months, brought mealmost to study my case. I realized that I was so irritable and nervous individual like me. Working under great strain both day and night for three months, brought mealmost to study my case. I realized that I was so irritable and nervous individual like me. Working under great strain both day and night for three months, brought mealmost toos state of collapse. I was so irritable and nervous that the slightest thing would 'send me up in the air.' If I managed to get a few hours of sleep at night I was lucky. I had no appetite for food. I certainly was miserable. During this time boils began to appear on different parts of my body and the pain from them made life a misery. My suffering was so great at times that I felt there was nothing left for me to do but to end it all. I consulted doctors but they all told me that if I didn't give up my work and live out of doors, I would go into a decline. As I had no money I couldn't do this, In fact paying doctors' bills and buying medicines
